

# Why God is Destroying the Christian Church

## God never wanted an Organized Church

### A. No one “went to church” for the first 4,000 years of human history.

When God called Moses to lead **over one million Israelites** out of Egypt, into the wilderness, on their way to Canaan – the Promised Land - He had them build a sanctuary where His presence dwelt among them. The combined square footage of the Holy Place and the Most Holy Place was 450 square feet – about the size of an average 1 bedroom, 1 bath apartment.

Obviously, the over one million Israelites could not get inside such a tiny structure. In fact, **NO ONE**, except the priests, was allowed to enter this sanctuary, **under penalty of Death!**

Even when the Israelites entered Canaan and built the permanent first temple, the temple of Solomon, it remained a small structure and again, only the priests were allowed inside. The First temple was destroyed by the Babylonians, and the Israelites were taken captive.

When Cyrus allowed the Israelites to return to Palestine to build the Second temple, everything was the same: the temple was a very small structure, and only the priests were allowed to enter. If anyone else entered the temple, they received the Death Penalty.

Obviously, God did NOT want an organized church as exists today – where people come into a building and sit down to listen to “man” tell them what to believe about God, a system of hierarchy where the clergy supposedly know more about the Bible than the members.

### How did this new “system” come into existence?

Synagogues first appear in the New Testament. They were buildings in which the Pharisees preached to the people who came into the building to sit down and be told what to believe about God.

Jesus referred to the Pharisees as vipers, hypocrites, of your father – the Devil, and the “synagogue of Satan” because “by your traditions, you make the Scriptures of no effect,” said Jesus.

It was the Pharisees – who eventually called for the Murder of Jesus Christ in the most cruel way possible, by crucifixion – who brought the synagogues into existence.

It was the Pharisees, the enemies of Christ, who were the originators of the synagogues – the Counterfeit religion. The synagogues were in existence simultaneously with the Temple. God's presence was in the Temple – NOT in the synagogues. The Priests of the Temple taught the correct doctrines. The Pharisees in the synagogue taught the Counterfeit religion.

And the synagogues, formed by the enemies of Christ, who were teaching the Counterfeit religion, that became the model for today's Organized Churches.

At the time of Jesus crucifixion, the curtain between the Holy Place and the Most Holy Place was rent from top to bottom, showing that **God's presence was no longer in the Temple**. Eventually, in AD 70, the Second Temple was destroyed by the Romans, and the temple was never re-built.

The temple, its ritual services, and its feasts and ordinances are finished.

### **Now - -Your Body is the Temple!**

God says now that He lives in us:

Do you not know that your bodies are temples of the Holy Spirit, who is in you, whom you have received from God? You are not your own; you were bought at a price. Therefore honor God with your bodies. 1 Cor 6:19,20

If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which *temple* ye are. 1 Cor 3:17

### **B. God never started an organized church**

God said:

“I just want to be your God and you be My people” (with no one in between). Ex 6:7

### **C. The word “church” is not in the Bible.**

The Greek word *ecclesia* does not mean “church.”

The riotous mob that was set on lynching Paul in Ephesus in Acts 19:8-41 is called an *ecclesia*. Naturally, the translators could not call this lynch mob a “church” so they translated the word as “assembly.”

The word *ecclesia* just means a group of people who may not even know each other, but all believe the same way – whether good or bad. It has nothing to do with a building or a hierarchical structure.

#### **D. When Jesus was on earth He never started an Organized Church**

Jesus Christ wants to teach us directly by our diligent Bible study and prayer.

“You need no man to teach you. . . One is your Teacher – Christ.”  
1 John 2:27; Matt 23:8

Jesus is the Rock, on which His *ecclesia* (the called out ones) is built

“On this Rock, I will build My *ecclesia* (mistranslated as “church.”  
Matt 16:18

When the Israelites were at Mt. Sinai, God wanted to speak to them directly. But they were afraid of God. They wanted God to speak to Moses – and then Moses to speak to them.

This was the Israelites’ desire for a human to be in between God and man. God wanted to put His spirit – His character and disposition – into the Israelites at that time, but the Israelites refused. So, God then gave them a series of harsh civil laws

#### **E. Most of the Doctrines Taught by the Churches of Today are False!**

Most of the doctrines taught by the Organized Churches of today were never taught by Jesus Christ when He was on earth. The Bible has been changed by the translators.

But wouldn’t God protect His Word? Indeed, He has – but in the original Greek and Hebrew – NOT in the translations. You can study it by using the Greek/Hebrew/English Interlinear Bible with the help of a Concordance.

The original authors of the books of the Bible were inspired by God Himself. But the translators were NOT inspired. Unfortunately, they translated the Bible according to their own preconceived beliefs.

For documentation for the following, please see my book, "Who Rewrote the Bible?" or visit [www.goodnewsaboutgod.com](http://www.goodnewsaboutgod.com) and click on the navigational button: Spiritual Truth (on my home page).

**Sunday Sacredness:** Saturday is the Sabbath. The words "first day of the week" are not even in the Bible. They have been "written in" by the translators.

**Hellfire:** The word "Hell" is not in the Bible. It has been "written in" by the translators.

**Immortality of the Soul:** The Bible clearly states that the soul is NOT immortal. No one goes to heaven or hell when he dies. He is dead in the grave and knows nothing.

**Trinity:** "Behold, O Israel, the Lord your God is ONE Lord." The Trinity is a pagan doctrine.

**Unpardonable Sin:** There is NO "Unpardonable Sin." Again, the translators have mistranslated the Bible.

**Secret Rapture:** There is no Secret Rapture. Again, this false doctrine is based on a false translation and a false interpretation of the Bible.

**Speaking in Tongues:** The "speaking in tongues" that the Bible refers to were known languages of the time, not silly gibberish. "And everyone heard in his OWN language." Acts 2:6

## **F. Virtually ALL churches today are 501c3 government-granted organizations**

Virtually all churches, denominations, church schools, and church related organizations are 501c3 tax-exempt organizations, which means that their head is the government – and NOT Jesus Christ.

Therefore, the government can tell the churches what they can – and what they cannot teach. – and what they can, and what they cannot do. When the pastors are conscripted by the government to help enslave Christians, the pastors will do what they are told. They will sell Christians down the river - to their death.

## **Supreme Court approves Gay Marriage**

Because the Supreme Court has approved Gay Marriage, the churches are now being forced to officiate at same sex marriages, and to hire homosexuals and

lesbians on their staff, or they will lose their tax-exempt status – AND may be fined retrospectively for all the tax-exempt donations they have received in the past.

Rather than stand for the Lord and His righteousness, the churches will compromise their principles and do as they are told – in order to stay in business – which is what they are: Businesses!

There are a few Christians who will continue to stand for the Lord, such as Kentucky County Clerk, Kim Davis.

### **County Clerk, Kim Davis, imprisoned for her Christian Beliefs**

MOREHEAD, Ky. — Gay and lesbian couples waded through a throng of protesters and journalists Friday and emerged from the courthouse here as the first in Rowan County to be issued licenses for marriage between people of the same sex.

Less than an hour's drive to the east, the county clerk, Kim Davis, who was ordered jailed on Thursday by a federal judge for defying a court order to issue the licenses, remained determined to stay locked up rather than relent, her lawyer and her husband said. They vowed to continue their efforts to reverse the court order and win her release, and they argued that the licenses being issued by deputies in Ms. Davis's office were invalid.

By the day's end, eight couples — six of them same-sex — had made their way through the charged crowds outside the courthouse and obtained marriage licenses from the clerk's office. Ms. Davis had stopped issuing marriage licenses for anyone more than two months ago, after the Supreme Court's landmark ruling that legalized gay marriage, saying that giving licenses to same-sex couples would violate her Christian beliefs.

### **Agenda 21 Calls for the Eradication of Private Property, the Foundation of Freedom**

Agenda 21 involves the elimination of private property, the foundation of freedom. It is at war with the Ten Commandments. "Thou shalt not steal" implicitly assumes the right of private property. "Thou shalt not covet" assumes the right of private property. This is pure Marxist communism – the eradication of private property. This means the eradication of individual liberty and freedom.

Agenda 21 is about total control of our personal property, our ability to travel, our energy consumption and almost everything else. According to author Rosa

Koire, author of Behind the Green Mask: U.N. Agenda 21, “Your energy consumption will be controlled until you can’t farm, can’t manufacture, can’t travel, can’t fish, can’t use your land.”

### **New – Stricter – UN Agenda being introduced Sept 25-27, 2015**

The UN plans to launch a brand new plan for managing the entire globe at the Sustainable Development Summit that it will be hosting from Sept 25<sup>th</sup> to Sept 27<sup>th</sup>, 2015. It covers every area of life.

The UN is using the leaders of all religions to further its goal of massive enslavement of the population of the world.

### **The Vatican’s BILLIONS!**

“The Catholic Church, working with the leadership of other religions, can now take a decisive role by mobilizing public opinion and public funds to meet the energy needs of the poorest 3 billion people, thus allowing them to prepare for the challenges of unavoidable climate and eco-system changes.”

This is a communistic plan to destroy the middle class in developed countries by forcing them to pay for the poorest 3 billion people in the world. Incidentally, the immense, almost unfathomable wealth of the Catholic church could provide food for every person on earth.

Have you ever wondered how wealthy the church really is? In his book, ‘**The Vatican Billions**’, writer and philosopher Avro Manhattan gives us a glimpse of the true financial worth of the Catholic church:

“The Vatican has large investments with the Rothschilds of Britain, France and America, with the Hambros Bank, with the Credit Suisse in London and Zurich. In the United States it has large investments with the Morgan Bank, the Chase-Manhattan Bank, the First National Bank of New York, the Bankers Trust Company, and others.

“The Vatican has billions of shares in the most powerful international corporations such as Gulf Oil, Shell, General Motors, Bethlehem Steel, General Electric, International Business Machines, T.W.A., etc.” (...)

“Some idea of the real estate and other forms of wealth controlled by the Catholic church may be gathered by the remark of a member of the New York Catholic Conference, namely ‘that his church probably ranks second only to the United States Government in total annual purchase.’

“Another statement, made by a nationally syndicated Catholic priest, perhaps is even more telling. ‘The Catholic church,’ he said, ‘must be the biggest corporation in the United States. We have a branch office in every neighborhood. Our assets and real estate holdings must exceed those of Standard Oil, A.T.&T., and U.S. Steel combined. And our roster of dues-paying members must be second only to the tax rolls of the United States Government.’” (...)

“The Catholic church, once all her assets have been put together, is the most formidable stockbroker in the world. [The Vatican](#), independently of each successive pope, has been increasingly orientated towards the U.S. The Wall Street Journal said that the Vatican’s financial deals in the U.S. alone were so big that very often it sold or bought gold in lots of a million or more dollars at one time.” (...)

“The Vatican’s treasure of solid gold has been estimated by the United Nations World Magazine to amount to several billion dollars. A large bulk of this is stored in gold ingots with the U.S. Federal Reserve Bank, while banks in England and

Switzerland hold the rest.

“But this is just a small portion of the wealth of the Vatican, which in the U.S. alone, is greater than that of the five wealthiest giant corporations of the country. When to that is added all the real estate, property, stocks and shares abroad, then the staggering accumulation of the wealth of the Catholic church becomes so formidable as to defy any rational assessment.” (...)

“The Catholic church is the biggest financial power, wealth accumulator and property owner in existence. She is a greater possessor of material riches than any other single institution, corporation, bank, giant trust, government or state of the whole globe.

“The pope, as the visible ruler of this immense amassment of wealth, is consequently the richest individual of the twentieth century. No one can realistically assess how much he is worth in terms of billions of dollars.” (...)

Mr. Manhattan asks one of the most challenging questions regarding the moral conduit of the catholic church:

“Jesus was the poorest of the poor. Roman Catholicism, which claims to be His church, is the richest of the rich, the wealthiest institution on earth. (...) How come, that such an institution, ruling in the name of this same itinerant preacher, whose want was such that he had not even a pillow upon which to rest his head, is now so top-heavy with riches that she can rival - indeed, that she can put to shame - the combined might of the most redoubtable financial trusts, of the most potent industrial super-giants, and of the most prosperous global corporation of the world?”

I would love to hear the pope answering this question.

The wealth of the Vatican is so big that they could create sustainable social programs **to end famine on Earth**; they have the power and the means to oppose wars; they have the financial resources to create an Eco-friendly planet -- the biblical heaven on Earth.

But how could they be willing to invest in “green technology” when they have huge investments in oil and gas cars manufacturers? In fact, the Iraqi and Afghanistan wars perfectly suit their financial investments.

In conclusion, religion is financially and morally corrupt.

### **Pope will address Congress Endorsing “Sustainable Development”**

This September, 2015, the pope will address a Joint Session of Congress, and then the United Nations General Assembly. The subject is Sustainable Development, kicking off a huge push by the UN for Sustainable Development, a euphemism for “control of everyone and everything” in the name of Environmentalism (supposedly to “Save the Planet”).

The Real Goal of “Sustainable Development” is **extermination** of at least 5 ½ billion people on the earth. But in the meantime, the UN and the US government have deceived the pastors of every denomination to get on board with their propaganda campaign of “Climate Change.”

# The Green Shepherd

The White House wants churches to advance its climate change agenda.

BY Meghan Clyne

May 3, 2010, Vol. 15, No. 31

If the Obama administration has its way, the gospel of climate change will be coming to a pulpit near you. That at least seems to be the dream of the President's Advisory Council on Faith-Based and Neighborhood Partnerships—a 25-member group of leaders from across the religious spectrum that is part of the **White House Office of Faith-Based and Neighborhood Partnerships**.

Last month, the council spent a day at the White House briefing senior administration officials on its “final report of recommendations” for improving collaboration between the government and religious organizations. The 164-page document, entitled “A New Era of Partnerships,” takes up the “priority areas” identified by President Obama—Economic Recovery and Domestic Poverty, Fatherhood and Healthy Families, Environment and Climate Change, Global Poverty and Development, and Interreligious Cooperation.

Poverty, families, interreligious co-operation: All pretty standard. But what does an office created to help better provide social services to the needy have to do with climate change?

Apparently, the president's council envisions the “partnership” between government and religious institutions as a means of spreading the administration's environmental warnings, rather than just a way to help churches feed the hungry and clothe the poor. Faith-based organizations, the report notes, can take “a prominent leadership role in influencing policy, education, and action in those areas.”

How exactly can the government enlist congregations in the climate-change fight? Step 1: Set up an office at the Environmental Protection Agency “to actualize the potential of faith-based and community groups and their networks across the country toward greening and retrofitting buildings”:

*[A]n Office of Faith-Based and Neighborhood Partnerships at the EPA could . . . activate faith- and community-based networks to promote energy efficiency, environmental responsibility, and green jobs. With minimal personnel costs to the government, massive partnerships could be scaled up through engaging religious and community leaders and organizations.*

The council hopes the new EPA faith office will also help churches and other nonprofits improve “access to financing,” including “establishing revolving loan programs or working with utility companies to help finance greening building projects.” The ultimate aim of all this government-supported retrofitting is clear:

*“Regional staff would work to engage local faith-and community-based groups to help meet Obama administration targets for greening buildings and promoting environmental quality.”*

The report adds: *“We believe that faith- and community-based groups, as well as the general American public, could be better mobilized toward environmental goals with a well-publicized and centralized educational campaign”* (to be hosted and promoted through a government website).

### **FEMA Clergy Response Teams Prepare for Massive Clerical Betrayal**

According to investigative reporter and long term Radio Show Host, Dave Hodges, “In September of 2015, the Pope will announce the orderly transition of the surrender of the national sovereignty of all nations that will culminate in world government...”

When the Pope addresses the United Nations on September 25, he will be endorsing Agenda 21 and its sustainability concepts. Sustainability seeks to reduce at least 80% of all energy use. Some are even calling for a total obliteration of the private use of energy. Sustainability walks hand in glove with the coming currency collapse. If the people can be brainwashed to accept sustainability concepts, the reduction of the currency by astronomical amounts will be more easily accepted by the masses. And if the Pope is telling people that this is what God would want, then it must be OK. . .

“Especially disturbing is the fact that that Pope’s UN speech will be followed by what many are saying will be a wholesale devaluation of every national currency in the conversion to a global currency that is reportedly going to be digital. The off-the-record analysis of this supposed coming devaluation of the dollar will mean for every dollar one has in the bank, that dollar will lose 90% of its buying power in the conversions when it takes place in October.

“. . . If these conversion rates are anywhere close to be accurate, you won’t be paying the present \$3.00 per gallon, you would be paying somewhere around \$30.00 per gallon! Your \$200,000 mortgage would now be a \$2 million dollar mortgage! Now it makes sense why so many of our home mortgages have been transferred to either the International Monetary Fund or directly to our new landlords, the Chinese government.

### **Forced Into FEMA Camps and 11 Mega-regions - - 250 Million Americans to Perish Under America 2050 Plan**

“Where will Americans secure food and other life-sustaining supplies? All of the above events would force Americans in the short-term into FEMA camps in order

to receive the aforementioned life-saving supplies. Remember, the average American family has no savings and only three days of food on hand in their home. . .

“Eventually, Americans would be forced into the “stack and packs” that the globalists talk about in Mike Krulig’s “America 2050” derived from his Agenda 21 “Build One America” program.

## **Depopulation, Deindustrialization, and “Stack and Pack”**

**Cynthia Matthews Laura Ingraham**

August 26, 2014 ·

"The American people are not aware that Obama is robbing the suburbs to pay for the cities. . . Obama was made President to usher in cap and trade and the deindustrialization of the United States. These are not measures that will benefit our country at all! We need to understand that pressure to make a so-called utopia is manipulating us into adopting programs that are actually aimed to destroy even basic freedoms we now enjoy—Freedoms to ride in cars, shop in stores, choose where we work, own a house, things which are the fabric of our lives! "America is truly learning the meaning of fundamentally transforming America and unless we are able to wake up our fellow citizens, things are about to get a whole lot worse."

Programs are brought into local communities presented as grants and such, but they are tyranny incorporated in disguise! Some terms being used that identify these really covert plots to accomplish a Communist/Marxist transformation of America are "Sustainability," "Building One America,\* " "Inclusion," "Inclusive Suburbs and Sustainable Regions," "Regional Opportunity,""Regionalists," and "Agenda 21." These are some of the labels of what is, at its heart, a diabolical scheme!

"The real brains behind the coming Agenda 21-inspired mass migration from the suburbs to the inner cities is Mike Krulig and his new group of community advisers, Building One America. . . The secretive agenda of Building One America has been mostly achieved by Obama’s appointment of like-minded community activists to his staff. . ."

The current plans of the Obama administration (now being carried out) incorporates to undermine the use of public funds to "move tax dollars from Suburbs to Cities." And there are a host of plans to accomplish the end of private transportation (cars) and home ownership! The Obama administration is currently active and aggressively implementing the first stages of these programs at this time. Today! NOW! Excerpts from article, "Obama Has Begun to Systematically

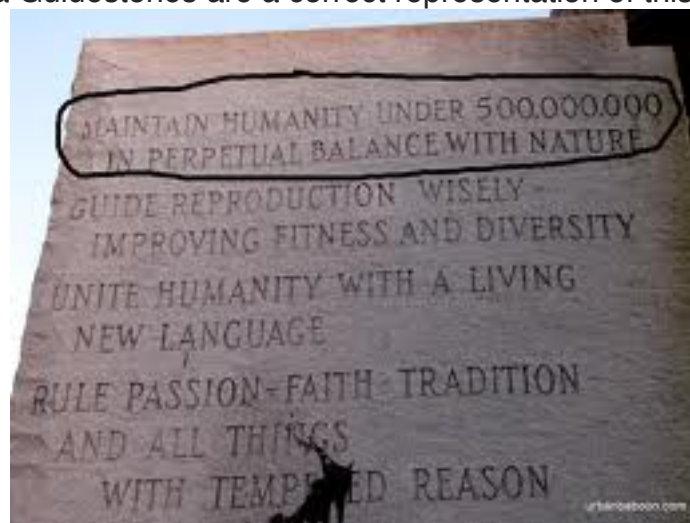

Depopulate and Deindustrialize the Suburbs," Posted on August 25, 2014 by Dave Hodges explain what is now in progress:

" . . .However, the Breitbart people retained a copy of the picture. This begs the question, if the Building One America plan is so good for America, then why would the Obama people conceal his affiliation with Krulig. . . Krulig's . . . Building One America group proposes the creation of a regional tax-base, sharing revenues in which suburban tax money is directly redistributed to nearby cities and economically depressed concentric zones of inner-ring suburbs. . . to move the poor out of cities by imposing mandatory low-income-housing quotas for middle-class suburban developments.

## **Jade Helm's Role in the 90% Reduction in US Population As Predicted By the CIA and the Obama Administration**

Posted on [May 30, 2015](#) by [Dave Hodges](#)

The Internet is filled with revelations of how the global elite want to [depopulate humanity](#) by 90%. Landmarks such as the [Georgia Guidestones](#) are at the top of the evidence list for proof of this agenda. There is an emerging body of evidence that the Georgia Guidestones are a correct representation of this idea.

Thanks to Ted Turner for making it clear what the globalists truly desire. How does [Jade Helm](#) factor into the plans of the global elite.

Building One America is the Agenda 21 creation of the Obama administration. It has morphed into America 2050.

With regard to the coming forced subjugation of the American population to the “stack and pack” megacities, two important papers, the 3-D: Infrastructure for California’s Future and the National Academy of Public Administration’s “Memos to National Leaders: Partnerships as Fiscal Policy”, jump to the front of the line in espousing the megacities concept. On August 27, 2014, I exposed the megacities concept in revealing something called the ***America 2050 plan***. America’s 2050 plan is the product of the Obama administration through the creator of the Agenda 21 program known as “Building One America.”

The picture of Obama and Mike Krulig, the founder of Building One America and America 2050, that the White House does not want you to see.

One America” and its founder Mike Krulig who was Obama’s first “community advisor on the South Side of Chicago in Obama’s formative years. The enslavement of America has taken center stage and it is indeed called “America 2050“. **The plan for America 2050 is to herd Americans into 11 megacities consisting of six million people each totaling 66 million people.**

**Under this plan, there are no provisions for any other population developments.** After reporting in the August 27, 2014 article, I thought the target date for the implementation of the megacities plan would be the year 2050 as indicated in the title of the organization that is behind the planning of this concept. However, the timing is much shorter. It appears this will happen within 10 years – and it's starting NOW!

**316,000,000 million Americans will change to  
66,000,000 megacity dwellers that equals**

**250,000,000 missing Americans!**

### **National Defense Authorization Act (NDAA)**

On December 31, 2011, President Obama signed the National Defense Authorization Act (NDAA) into law that in addition to allocating \$662 billion to the Pentagon also contains a measure that allows U.S. citizens to be taken into custody and held indefinitely without ever being charged with a crime. Not only can any citizen deemed a threat to “national security interests of the United States,” be held forever without receiving a trial, but the military will be the ones arresting those citizens.

***NDAA Section 1022, subsection c allows “(1) Detention under the law of war without trial until the end of the hostilities authorized by the Authorization for Use of Military Force.”***

The **National Emergency Centers Act or HR 645** mandates the establishment of “**national emergency centers**” to be located on military installations for the purpose of providing “temporary housing, medical, and humanitarian assistance to individuals and families dislocated due to an emergency or major disaster,” according to the bill.

The legislation also states that the camps will be used to “provide centralized locations to improve the coordination of preparedness, response, and recovery efforts of government, private, and not-for-profit entities and ***faith-based organizations***”.

The bill also provides that the camps can be used to “meet other appropriate needs”, as determined by the Secretary of Homeland Security. This is a Carte Blanche mandate that many fear could mean the forced detention of American citizens in the event of widespread rioting following a national emergency or a total economic collapse.

### **Forced Population Relocations – Family Members Separated – Clergy**

## **Response Team to Comfort Separated Family Members**

Pastor Walter Mansfield, one of the first pastors to be recruited for this Clergy Response team attended several briefings and he could barely believe his ears. He learned of the government's plan to enact martial law as well as to implement forced population relocations. Mansfield emphasized that when martial law is enacted, the enforcement would be immediate. In other words, family members will be separated from each other and part of the training that the clergy received was how to comfort separated family members.

## **Pastors to Convince Reluctant to Willingly Go To Relocation Camps**

Pastor Mansfield emphasized that the FEMA/DHS drills were predicated on bioterrorism. The pastors have been trained to go to homes where people refused to be relocated by the authorities and **their immediate job is to convince the reluctant to willingly go to the relocation camps.** Ostensibly, this is to be done in lieu of sending in the SWAT teams.

## **Pastors to Bring Order and Encourage Compliance with DHS**

The main goal of a pastor assigned to a FEMA camp is to bring order and encourage compliance with DHS requests, hence, the emphasis on Romans 13

**The pastors have been forced to sign non-disclosure agreements.** Interesting, **the pastors have been told not to quote Scripture. The DHS document that was prepared for the pastors clearly states that Scripture had been used to “oppress” people in the past and the presenters strongly discouraged its use.**

**The following are excerpts from one of the DHS training manuals:**

### **DHS Manual: Healing Scripture and Prayer in the Pastoral Crisis Intervention**

*“During a time of crisis people do go through a ‘crisis of faith.’ Sometimes a quick mention of God and Scriptures may not be helpful. As we all know the Scripture has been used to oppress, dominate and at the same time used for healing and reconciliation – renewing of relationship with God and people. If the pastor senses it is appropriate to use the scripture and prayer, it must carefully be done for healing of victims, not to uphold pastoral authority.”* (page 14) (DHS Clergy Team Manual).

Also on page 14 of the same training document, pastors are admonished to avoid “Unhealthy God talk. . .” Specifically pastors are ordered to avoid using

references to God when helping people cope with the loss of a loved one...

### **Informants**

Pastor Mansfield also revealed that pastors will be utilized as informants. This violates the legal privilege of confidentiality between pastor and church-goer, that is currently recognized by law. All church-goers can no longer trust the sanctity of confessions and revelations made to pastors, priests or rabbis. This one illegal act by DHS completely undermines the Christian Church in America!

### **The Government is the Head of the Incorporated Churches – rather than Jesus Christ**

There are an estimated 28,000 FEMA trained pastors. The pastors in America are being coerced to participate because all churches are 501c3 tax-exempt government-controlled organizations, and therefore MUST do what the government tells them to do.

This is what happens when the government – rather than Jesus Christ – is your leader, which is the situation with virtually ALL organized churches.

### **The Same Group that Slaughtered Christians and Destroyed ALL Christian Churches during the Bolshevik Revolution in Russia, Now Controls America!**

Unfortunately, few Christians in America, and around the world understand their enemy. America's government has been infiltrated and taken over by the same group – International Jewry – that took over Christian Russia in 1917. The Bolshevik Revolution was funded by the Jewish bankers of Wall Street, who were the agents of the Jewish Rothschilds who rule the world from the City of London. Led by Jew Vladimir Lenin (real name: Vladimir Ilyich Ulyanov), the godless Jewish Bolsheviks slaughtered the Royal family of Russia, who were Christians.

On **July 17, 1918**, Nicholas II and his family were murdered by Bolsheviks under Vladimir Lenin, in Yekaterinburg, Russia, thus ending more than three centuries of the Romanov dynasty's rule – and three centuries of Christian Russia.

The Jewish Bolsheviks then went on to slaughter 100 million Gentiles, most of them Christians, in the bloodiest genocide in the history of the world. Fifty million were starved to death in Ukraine when the food they raised on their own farms was taken away from them by the government and stored in their own cities in silos surrounded by armed guards. They slowly starved to death while their own food was virtually within their arms' length.

## **Christianity is Not a Religion**

Christianity is NOT a religion: it is a personal relationship with Jesus Christ – with no one in between. The Christian churches of America will ALL fall: they will either be destroyed by our Jewish overlords, or they will compromise their principles and doctrines so much – just to stay in business - that they will no longer bear any resemblance whatsoever to Christianity.

Christians must learn to stand or fall individually – by having a one on one, close, personal relationship with Jesus Christ, with no one in between.

"If anyone comes to me and does not hate his own father and mother, and wife and children, and brothers and sisters, and even his own life, he cannot be my disciple." Luke 14:26

## **ALL is of God**

Because "All is of God, through God and to (for) God" – it is God, Himself, who is in the process of destroying the Christian churches, in America, and around the world.

Why? Because He never ordained them in the first place. Jesus Christ is our leader. Jesus Christ is our Teacher. Jesus Christ is our Saviour!

"For I am God, and **there is none else; I am God, and there is none like me.**" Isa 46:9

**Just like doctors, pastors are now becoming Agents of Death!**
