

The Jews (inadvertently) ADMIT that Christianity is the Right Way to Live

Lorraine Day, M.D.

- 1) The Jews are almost exclusively promoting Blacks on TV and in commercials – but the Blacks are doing things that White families do, NOT what black families do. If it weren't so serious, it would be quite comical. The Jews, who completely control Hollywood and all media, refuse to show the Black culture as it really is.

While blasting Whiteness as disgusting, and Christian values as stupid, the Jews make commercials showing Blacks having barbecues in the back yard, camping and hiking in the wilderness, overwhelmingly appreciating nature, all black men as being family-oriented – all the things that the White Christian culture has been doing for 300 years in America. These activities are applauded when Blacks are doing them (even though the Blacks often seem uncomfortable and out of character), but they are considered hateful and perverse when Whites are doing them.

If you watch TV in America, you would think that the population of America is 90% Black. It is clear that ALL the corporations in the world are slaves themselves – slaves to the Rothschild Illuminati in the “City” of London, the Jewish family that owns the money supply of 192 of 195 countries in the world – the Jewish family that, themselves, own 50% of the wealth of the world.

- 2) Jew-controlled China: Chinese TikTok promotes utter filth in the West, but promotes a ‘Secular version’ of Christian Culture in China, including a) 40-hour work week ‘to spend more time with the family,’ b) banning pornography, lewd women dancing, and other smut, c) banning programs that promote men as Wimps, and d) promoting an excellent work ethic.

Chinese Jews

Most Americans are unaware that there have been (Chinese) Jews in China since at least the 8th century. The City of Kaifeng, in central China, used to be the Capital of China, though now the Capital is in Beijing.

Wikipedia says:

The **Kaifeng Jews** are members of a Jewish community in Kaifeng, in the Henan province of China, whose members had largely assimilated into Chinese society while preserving some Jewish traditions and customs. Their origin and time of arrival in Kaifeng are a matter of debate among experts.

Many of the known Hebrew names of the Kaifeng Jews were only found among **Persian and Babylonian** Jews.

During the Ming Dynasty (1368–1644), a Ming emperor conferred eight surnames upon the Jews, by which they are identifiable today: **Ai, Shi, Gao, Gan, Jin, Li, Zhang** and **Zhao**.

Developer of TikTok

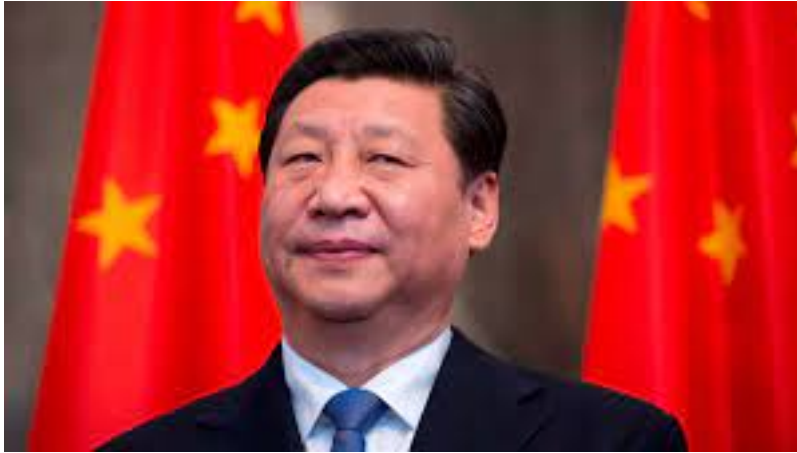

The developer of TikTok, Zhang Yiming, is most probably Kaifeng Jewish. Though Yiming's surname is not one of the specifically identifiable Jewish names in China, his First Name IS: **Zhang!**

Whether or not he is Jewish, there is no doubt he is an agent for - and serving the interests of - the Jewish Rothschild Illuminati.

Netanyahu, Zhang Yiming, Pelosi, AOC, Trump (ALL Jews) make Time's List of 100 influencers in 2019. (Why would **Zhang Yiming** be included if he's NOT Jewish?)

The President of the Republic of China: Xi Jinping

Xi Jinping is the General Secretary of the Chinese Communist Party and the President of the People's Republic of China. He was born in Beijing, but Wikipedia says Jinping's "paternal lineage" is from Henan province, where the Chinese Jewish community of Kaifeng has been located for over 12 centuries.

It is also possible that Xi Jinping is a Chinese Jew.

The Jewish Rothschilds are responsible for turning Russia into a Communist state in 1917, through their agents Karl Marx, Engels, Lenin and Stalin (all Jews) during the Bolshevik revolution in which 100 million Gentiles were slaughtered.

And it is the same Jewish Rothschilds who turned China Communist in 1949, through their agent Mao Zedong, who slaughtered at least 45 million Chinese Gentiles, in order to transfer all the jobs from America to China, to begin the planned destruction of America.

Since becoming China's leader in 2012, Xi Jinping has overseen a vast and ruthless anti-corruption drive in which more than a million officials have been disciplined. It is not know how many have been killed.

A BBC study has found that more than 170 ministers and deputy minister-level officials have been sacked and many jailed under Mr Xi, accused of charges such as corruption, misconduct and violation of party discipline.

It has been described by some as a massive internal purge of opponents, on a scale not seen since the days of Mao Zedong, in whose Cultural Revolution many top officials were purged.

By turning the country of China into a Communist state, and by weakening America's economy, military, and Christian way of life, the Jewish Rothschilds have used China to hide their evil doings in technology and their plans for population extermination of most of the world, particularly white Christians.

Netanyahu, Zhang Yiming, and Xi Jinping are just 3 of the "army" of agents of the Rothschilds – around the world.
