Woosh, now you're black.

Moving the Overton Window to
NORMALIZE PAEDOPHILIA

STEP ONE : SCIENCE

Popular science outlets (like TED) are used to place Paedophilia into public debate. Researchers will argue that Paedophilia is a normal part of life, therefore it is right for them to study. The goal is to get the public talking about it whilst saying it is natural.

STEP TWO : REBRAND

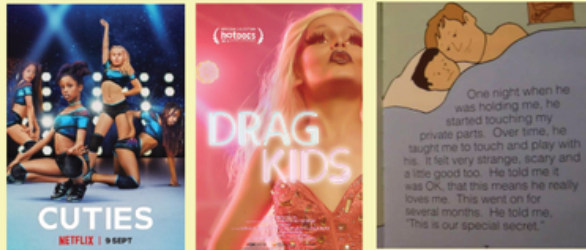

Efforts are made to rebrand and rename Paedophilia to something upbeat and happy.

This is like changing "Homosexual" to "Gay".

The chosen words are MAP and NOMAP (Non Offending Minor Attracted Person) So, whilst science is saying paedophilia is natural, the Pedophiles begin calling themselves "Non Offending MAPS"

STEP THREE : MEDIA EXPOSURE

The public are now introduced to "tame" and "acceptable" levels of Paedophilia.

This is designed to further the public debate but it also gives rise to "Scarecrows"

STEP FOUR : SCARECROWS

Two important groups now appear. One is a pro-paedophile group of Non Offenders, who appear reasonable, are backed by science and claim to be victims of their own sexuality; the other group is a vicious, unsympathetic, hate-filled mob, who advocate violence.

Presented with those two groups, ordinary people will naturally move away from the violent and hateful group. In time, they will begin siding and even defending the peaceful and misunderstood NOMAPS.

Steps 3 & 4 may cycle for some time as the Overton Window slowly moves.

Eventually, when the public debate reaches the highest intensity, public opinion is manipulated and locked in place.

STEP FIVE : HISTORY

Media propaganda appears, reminding people that the great philosophers of Ancient Greece practiced Pederasty.

The scientific arguments are revisited.

STEP SIX : VOICE OF REASON

A well respected figure will come out and act as the voice of reason. They will be applauded in the media as "brave" and "progressive".

The Overton Window has now moved and paedophilia is accepted.

We now live in a nation where doctors destroy health, lawyers destroy justice, universities destroy knowledge, government destroys freedom, the press destroys information, religion destroys morals and our banks destroy the economy.

"A Racial Plan for the Twentieth Century"

*Israel Cohen
1912*

We must realize that our party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause.
