

# **The Lockdown of the Entire WORLD In One Week PROVES we already HAVE a ONE WORLD GOVERNMENT!**

**Do You Still Believe America is a  
“Free Country”?**

**You Poor Deluded Soul!**

1) Do you actually believe your Vote counts?

First of all, the majority of the voting machines are made by companies owned by Jews, either Israeli Jews or American Jews. The three companies, Election Systems & Software (ES&S), Dominion Voting Systems and Hart InterCivic, are almost entirely unregulated. But in recent years, policymakers and election advocates have begun to question who owns the companies, how they make their machines and their susceptibility to remote hacking, which they are.

Your vote may count for a member of the local school board, or for your local dog catcher, but anything higher than that is not left to a “chance” vote by the people. The voting system is just a way to make the population “think” it has a say in the way the country is run. But the people who run the United States and all other countries are “owned” by the Rothschilds, and the vast majority of them are outright criminals who should be behind bars. But since the Rothschilds also own the U.S. court system, the criminals are free to defraud the taxpayers. In reality, everything is “fixed.”

2) Do you actually believe that filing law suits against the government will change anything?

Especially now, with the country in a Police State mode, many groups and organizations are suing various governmental agencies for their flagrant abuse of the peoples’ rights. Good luck on that one! Law suits of that nature are tied up in courts for years! And, as stated above, the Rothschilds own the court system too, and have installed many of their own black-mailable judges in places of power.

By the time those cases actually are heard, and a decision is made, the ones bringing the law suits will be in an Assisted Care Homes and completely bankrupt.

3) Do you still believe that the United States is operating under the Constitution?

In 1933, under the presidency of Franklin Delano Roosevelt (real name Rosenvelt – Jewish), the Constitution was set aside and the country was placed under maritime law. That's why you see gold fringe on the flag whenever you enter a courtroom. Under maritime law, a person is guilty until they prove their innocence, which is the opposite of Constitutional law.

4) Do you still believe that a person charged with a crime is innocent until proven guilty?

As stated above, under maritime law, which is the law of the United States now, you have to prove your innocence. You are not considered innocent until proven guilty. That's why Presidents don't worry about "the Constitution." George W. Bush, when he was President, got annoyed at a journalist who questioned him about that issue. His response, in reference to the U.S. Constitution, was, "It's nothing more than a piece of paper."

5) Do you still believe that Russia is NOT Communist?

When the Berlin Wall came down in November of 1991, and when President Gorbachev of the USSR appeared to lighten up on its Communist agenda, Americans were deceived into thinking that Communism was dead. But Gorbachev gave his famous speech on Glasnost and Perestroika in which he assured the politicians that nothing was really changing, and that this "exercise" was for the benefit of the United States, to make them "think" that Communism was dead. As soon as Communism has securely conquered the world, it's evil will come out in full force. All one has to do is read Alexander Solzhenitsyn's book, The Gulag Archipelago, and you will know what's coming to America.

6) Do you still believe that Communism is NOT Jewish?

Even President Vladimir Putin of Russia has admittedly publicly that Communism is Jewish. It comes right out of the Jewish Babylonian Talmud, the "holiest" book of Judaism that contains such statements as the following:

"Even the best of the Gentiles should ALL be killed."

"Jesus is boiling in hot excrement in hell."

"Mary, the mother of Jesus, was a harlot."

And many other derogatory remarks about Gentiles.

Communism always becomes Bolshevism in that the Jews own everything, and the Gentiles become penniless slaves. That's what happened to 8 MILLION German Christians who were starved to death by Stalin (who was Jewish), after the death of Lenin (also Jewish). 80% of all the leaders of the Communist party In Russia were Jews.

- 7) Do you still believe the "Covid-19 virus" is a medical problem?
  - a) On the website of the World Health Organization, it says (or it has in the past before they may have removed it) that the Corona Virus causes nothing more than the Common Cold.
  - b) Virtually 98% of all the supposed Covid Deaths are in elderly people with many other medical problems.
  - c) The government is giving an average of \$13,000 extra to a hospital for Covid diagnoses (whether they are fake or not), and \$39,000 extra for any supposed Covid patient that is put on a respirator.
  - d) In every epidemic in the entire previous history of the world, only the sick were quarantined, never those who were well.
  - e) A mask on the surgeon's face will protect a patient's massive open surgical wound from any harm from the surgeon's breath, even when the surgeon's masked covered mouth is only 18 inches away from the wound. So why do 2 well people, wearing masks have to "social distance" by staying 6 feet apart?
  - f) Why are the vaccine companies exempted from being held responsible for the safety of the vaccines they produce. They will have no liability whatsoever, even if you are maimed for life or die.
  - g) Why does Governor Cuomo (Jewish) demand that the people coming to New York from states with significant Covid cases quarantine for 14 days, but ONLY if they are NOT celebrities coming for the VMA Awards?
  - h) Why are BLM riots with trashing of buildings and stores considered to be "safe" while going to church is forbidden as dangerous (as are Trump rallies)?

If you still believe this Scamdemic is a real medical problem, and not a "cover" for bringing Communism to America and the world, you are to be pitied, indeed!

7) Do you still believe that the President of the United States runs the country?

The President gets his “marching orders” from the Council on Foreign Relations (CFR) (right down the street), and the CFR gets its order directly from the Rothschilds in London. The last president that made any decisions on his own was John F. Kennedy, and you know what happened to him!

8) Do you still believe that there is a difference (behind the scenes) between the Democrat and the Republican parties?

Both the Republican and Democrat parties receive the majority of their funding from AIPAC (American Israel Public Affairs Committee) and other Jewish organizations. And the office of President is always decided far in advance by the Jewish Rothschilds.

When George Wallace ran for President of the U.S. in 1968, he said publicly, “There’s not a dime’s worth of difference between the Republicans and the Democrats.” Truer words were never spoken.

Don’t you ever ponder the fact that no matter which party is in power, everything, in general, just gets worse?

9) Do you still believe that Americans can “Take Back America”?

The Jewish Communists have their agents in every department of government, and have funded literally thousands of NGO’s (non-governmental organizations) the purpose of which is to eliminate Christians and Christianity from the government and the entire country, and set up a Satanic, Communist One World Government.

10) Do you deny that in order for the world to be shut down in a short period of one week, we already have a Global One World Government?

Nine of the Ten Planks of the Communist Manifesto are in working order in the United States Government. The U.S. colleges have been training the students in Marxism for almost 50 years. In order for the world to be shut down in a short period of one week, it must be understood that a One World Government is already in place!

There are at least 14 Roadmaps that are available to everyone (if someone is willing to look for them) that say exactly what they are doing, and how they are doing it. However, only one of the “Roadmaps” actually says how it will all turn out in the end, and that is the Bible. The Bible clearly tells us that Communism will take over, Christians will be severely persecuted, and Satan will (temporarily) rule the world, with massive tyranny, torture and bloodshed.

But in the end, at the Second Coming of Christ, the Satanic Babylonian New World Order will be crushed forever, never to return.
