# They are requiring covid vax batch numbers. Why??

I was only allowed to get search results ONCE and then they cut it off. I'd like it better than this, but once was enough. GET A LOAD OF THIS.

This is consistent. All the cards have batch numbers. WHY?? Easy answer: because if you got a placebo batch and are not among the privileged, they need to know that so you can get the death jab when assigned to get it. IF THAT IS NOT THE CASE, EXPLAIN THIS VAX CARD:

If there's no batch number recorded for the polio vax, why do they need one for the covid jab????

**They are requiring “vaccine” Batch

(They have NEVER required that for any other vaccination!)

This is a boneyard near Paris, France with hundreds of electric powered cars. Mind you these are only cars used by the City of Paris and not personal vehicles. All of these have the same issue,.... the battery storage cells have given out and need replaced. Why not just replace them you ask? Well two reasons. First the battery storage cells cost almost double what the vehicle cost new, and second no landfill or disposals will allow the batteries to be disposed of there. So these green fairy tale electric cars are all sitting in vacant lots while their batteries drain toxins into the ground. Still think we need to go green???

How \$83 Billion Spent on the Afghan Army Ended Up Benefiting the Taliban

(WASHINGTON) — Built and trained at a two-decade cost of \$83 billion, Afghan security forces collapsed so quickly and completely — in some cases without a shot fired — that the ultimate beneficiary of the American investment turned out to be the Taliban. They grabbed not only political power but also U.S.-supplied firepower — guns, ammunition, helicopters and more.

The Taliban captured an array of modern military equipment when they overran Afghan forces who failed to defend district centers. Bigger gains followed, including combat aircraft, when the Taliban rolled up provincial capitals and military bases with stunning speed, topped by capturing the biggest prize, Kabul, over the weekend.
