

# **“Is There NOT a God in Israel?”**

2 Kings 1:3

**Lorraine Day, M.D.**

Common sense tells us that when we are sick, we should go to the doctor. But when Jesus was on earth and someone came to Him for healing, He never said, “Go see the doctor. I heal through doctors.” No, Jesus healed them Himself, and ALWAYS by totally natural methods, including water, clay and - - - His Word – which we have today in the form of the Bible.

Most Christians, including Christian pastors, believe that since there are doctors on earth, God expects us to use them. Do Christians also believe that since there are prostitutes, drug addicts, and con men on earth, that God expects us to use them?

But the truth is the opposite. God is testing us to see if we will follow HIM – God - rather than man - doctors – for our health. God says,

“I am the Lord who heals you.” Ex 15:26

“I am the Lord and there is none else.” Isa 45:5

“If you follow My laws (including God’s Health Laws), My commandments and My decrees, I WILL keep you FREE from EVERY disease.” Deut 7:11-15

Common sense is the opposite of Faith. God asks us to have Faith in Him – our Creator – the One who created our body, and knows everything about it. The One who says,

“I am the Lord who heals you.. . there is NONE else.” (See ref. above)

“Without Faith it is IMPOSSIBLE to please God.” Heb 11:6

Faith means that we believe – before we see the results. In order to consult God – rather than doctors – for our healing, we must have Faith – we must BELIEVE before we see the results.

There was no one who was healed by Jesus who didn’t exhibit Faith – belief – that Jesus COULD do what He promises to do: Heal ALL our diseases (Psalm 103:3) but only if we do it HIS way, and ONLY His way.

God does not heal us if we just lift our hands to heaven and “claim it.” God says we must “follow His laws (including His Health laws), His commandments and His decrees” and THEN, He will “keep us FREE from EVERY disease.”

### **Miraculous healings do not change the heart**

When Jesus was on earth, His miraculous healings did not necessarily change the heart of those who were healed. Jesus healed Ten Lepers, and only ONE came back to thank Him.

### **How do doctors “treat” disease?**

Doctors are taught only two methods of “treatment” of disease: 1) Drug medications, that all have horrific side effects and cause other diseases, and they never address the causes of the disease you already have. They only “treat” the symptoms of the disease, and 2) they cut off your body parts or cut out your organs.

But no disease has ever been caused by a “deficiency” of drug medications, and no disease has ever been caused by having “too many” body parts or “too many” organs. So neither of those “treatments” works to cure ANY disease.

That’s why doctors are NOT of God!

In addition, God calls drug medications Sorceries and Witchcraft.

“The whole world was deceived by their Sorceries. . .” Rev 18:23

The word “sorceries” in the Greek (the language in which the New Testament was written), means *pharmakeia* = pharmacy = drug medications.

So, anyone who **gives out drug medications (vaccinations are also classified as drug medications)**, whether a doctor, a nurse, or a pharmacist, is participating in Sorceries and Witchcraft, according to God.

And anyone **who takes drug medications (including vaccinations)**, is also participating in Sorceries and Witchcraft, according to God.

God calls drug medications - - sorceries - - because they “treat” symptoms only, never the underlying causes of the disease, making you “feel” better, while your disease continues to progress.

One who dispenses drug medications, whether a nurse, a doctor, or a pharmacist, is known as a *pharmakon*, in Greek, which means “Poisoner”!

Furthermore, the taking of drug medications turns you AWAY from seeking God for His healing, through changing everything about your life.

Diseases do NOT “fall from the sky” nor do they “just happen” nor are they genetic. We give them to ourselves slowly, one day at a time, over a LONG period of time (many years), by the way we live, think, act, eat, and handle stress. In order to Get Well, we must CHANGE the way we live, think, act, eat, and handle stress. We must follow God’s way, using ONLY the things that God created, and using them ONLY in the form that God created them, NOT modified by “man.”

Drug medications are poisonous to the body. God says,

“Your body is God’s temple. He who destroys God’s temple, him will God destroy.” 1 Cor 6:19,20; 1 Cor 3:17

### **What does the Bible say about sorcerers and witches?**

The Bible has a lot to say about witchcraft. Witchcraft and its many cousins, such as fortune-telling and necromancy, are Satan’s counterfeits to holy spirituality. The Bible expressly condemns all forms of witchcraft.

Since early times, people have sought supernatural experiences God did not endorse. The nations that surrounded the Promised Land were saturated with such practices, and God had stern words for His people concerning any involvement with them. Deuteronomy 18:9–12 says, “When you enter the land the Lord your God is giving you, do not learn to imitate the detestable ways of the nations there. Let no one be found among you who sacrifices their son or daughter in the fire, who practices divination or sorcery, interprets omens, engages in witchcraft, or casts spells, or who is a medium or spiritualist or who consults the dead. **Anyone who does these things is detestable to the Lord.**”

God takes witchcraft very seriously. **The penalty for practicing witchcraft under the Mosaic Law was death** (Exodus 22:18; Leviticus 20:27). First Chronicles 10:13 tells us that “Saul died because he was unfaithful to the LORD; he did not keep the word of the LORD and even consulted a medium for guidance.” In the New Testament, “sorcery” is translated from the Greek word *pharmakeia*, from which we get our word *pharmacy* (Galatians 5:20; Revelation 18:23). Witchcraft and spiritualism often involve the ritualistic use of magic potions and mind-controlling drugs. Using drugs can open ourselves up to the invasion of demonic spirits. Engaging in a practice or taking a substance to

achieve an altered state of consciousness is a form of witchcraft.

And virtually ALL pharmaceutical drugs, whether for physical or mental diseases, have serious mental side effects, including somnolence, confusion, dizziness, hallucinations, depression, anxiety, etc.

There are only two sources of spiritual power: God and Satan. Satan has only the power that God allows him to have, but it is considerable (Job 1:12; 2 Corinthians 4:4; Revelation 20:2). To seek spirituality, knowledge, or power apart from God is idolatry, closely related to witchcraft. First Samuel 15:23 says, “For rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry.”

Witchcraft is Satan’s realm, and he excels in counterfeiting what God does. When Moses performed miracles before Pharaoh, the magicians did the same things through demonic power (Exodus 8:7). At the heart of witchcraft is the desire to know the future and control events that are not ours to control. Those abilities belong only to the Lord. This desire has its roots in Satan’s first temptation to Eve: “You can be like God” (Genesis 3:5).

Since the Garden of Eden, Satan’s major focus has been to divert human hearts away from worship of the true God (Genesis 3:1). He entices humans with the suggestions of power, self-realization, and spiritual enlightenment apart from submission to the Lord God. Witchcraft is merely another branch of that enticement. To become involved in witchcraft in any way is to enter Satan’s realm. Seemingly “harmless” modern entanglements with witchcraft can include horoscopes, Ouija boards, Eastern meditation rituals, and some video and role-playing games, Yoga, and Drug medications (as well as illegal street drugs).

Any practice that dabbles in a power source other than the Lord Jesus Christ is witchcraft – including consulting doctors for disease. Revelation 22:15 includes witches in a list of those who will not inherit eternal life: “Outside are the dogs, those who practice magic arts, the sexually immoral, the murderers, the idolaters and everyone who loves and practices falsehood.”

### **What happens when we consult someone other than God for our healing?**

The King of Israel, Ahaziah, did just that, he chose to “enquire of Baalzebub” a Satanic god, just like Christians today take Satanic sorceries and witchcraft – in the form of drug medications. Ahaziah reaped what he had sown – **He Died!** And those who consult the providers of sorceries and witchcraft (drug medications) are choosing “man” (doctors) over God!

“Then Moab rebelled against Israel after the death of Ahab.

“And Ahaziah (the King of Israel) fell down through a lattice in his upper chamber that was in Samaria, and was injured: and he sent messengers, and said unto them, ‘Go, enquire of Baalzebub, the god of Ekron, whether I shall recover of this injury.

“But the angel of the Lord said to Elijah, the Tishbite, ‘Arise, go up to meet the messengers of the king of Samaria, and say unto them, ‘Is it not because there is NOT a God in Israel, that you go to enquire of Baalzebub, the god of Ekron?

“Now therefore thus saith the Lord, Thou shalt not come down from that bed on which thou art gone up, but shalt surely die.

“So, Ahaziah died according to the word of the Lord that Elijah had spoken.” 2 Kings 1:1-3, 17.

The consequence of consulting someone other than God Himself, when we are sick, is DEATH – spiritually, and often physically, as well.

Consulting a doctor for treatment of a disease shows that we trust (have faith in) “man” rather than in God. The Bible says,

“Without faith it is IMPOSSIBLE to please God.” Heb 11:6

“We ought to obey God rather than man.” Acts 5:29

### **God requires that we take care of our body, including what we eat.**

When God brought the Israelites out of Egypt, He gave them the perfect diet – a totally vegan vegetarian diet of Manna – the bread that came down from heaven – representing Jesus Christ, Himself – the spiritual “bread from heaven.”

But the Israelites hated manna. They said,

“We LOATHE this light (contemptible) bread.” Numbers 21:5

And the mixed multitude that was among them yielded to intense craving; and the children of Israel also wept again, and said,

‘Who shall give us flesh to eat? We remember the fish, which we did eat in Egypt freely, the cucumbers, and the melons, and the leeks, and the onions, and garlic:

But now our whole being is dried up: there is nothing at all beside this manna before our eyes. . .

When Moses heard the people weep throughout their families, every man in the door of his tent: and the anger of the Lord was aroused greatly: Moses also was displeased.

Moses was so despondent, He said to the Lord.

“I am not able to bear all this people alone, because it is too heavy for me.

And if you deal thus with me, kill me, I pray thee, at once, if I have found favour in thy sight: and let me not see my wretchedness.

Then God said unto Moses:

“Say unto the people, Sanctify yourselves (Set yourselves apart) against tomorrow, and you shall eat flesh: for you have wept in the ears of the Lord, saying, Who shall give us flesh to eat? For it was well with us in Egypt: therefore the Lord will give you flesh, and you shall eat.

You shall not eat one day, nor two days, nor five days, neither ten days, nor twenty days.

But even a whole month, until it comes out your nose (nostrils), and it becomes loathsome to you: because you have despised the Lord which is among you, and have wept before Him, saying, Why did we come forth out of Egypt?

And there went forth a wind from the Lord, and brought quails from the sea, and let them fall by the camp, as it were a day’s journey on this side, and as it were a day’s journey on the other side, round about the camp (possibly an area of 6 miles in diameter), and as it were two cubits high (3 feet high) upon the face of the earth.

And the people stood up all that day, and all that night, and all the next day, and they gathered the quails: he that gathered least gathered ten homers (6.33 bushels or 59 gallons), and they spread them all abroad for themselves round about the camp.

And while the flesh was yet between their teeth, before it was chewed, the anger of the Lord was aroused, and the Lord smote the people with a very great plague.

And he called the name of that place Kibrothhattavah (Graves of Craving); because there they buried the people who lusted (after flesh food). Numbers 11 4-6; 18-20; 31-35

No one who participated in that flesh-eating orgy entered the Promised Land. They all died in the wilderness.

### **God is the ONLY Healer**

Why was ObamaCare instituted?

Because the powers that be said the previous system of insurance was not working.

Yet ObamaCare isn't working either. And Trump has failed to get his plan passed through Congress.

In fact, NO "Health" Plan devised by man will work.

How can we eliminate the \$3.2 Trillion that is spent on HealthCare In America?

The answer is to "follow God's laws (including His Health Laws) His commandments and His decrees" and then "He will keep us FREE from EVERY disease." Deut 7:11-15

NOTHING ELSE will work!

### **"Health" Care in America is a mess!**

1) Drug companies cannot be sued for the horrific side effects of the vaccines they produce. Instead, that enormous burden is paid for by the taxpayers through government handouts. The drug companies then go "scot free."

2) What is a Hospitalist? The doctor who takes care of you in his office no longer takes care of you if you are admitted to the hospital. Instead a "Hospitalist" – a doctor employed by the hospital – who has never seen you before, decides what care you get. And when you are discharged, that doctor NEVER sees you again.

3) Hospitals no longer take responsibility for the safety of patients. That job has been given over to the patient's family. If the patient is disoriented, or causes any trouble for the nursing staff, or is trying to get out of bed when the nurses don't approve, either a family member must stay with the patient at all times

or the family must hire, at their own expense, a sitter to stay with the patient.

4) What is the government's goal for Healthcare? The plan is to have the government as the single-payer – to eliminate all competition – with the eventual goal of the government deciding who will live and who will die.

It behooves every American to learn how to take care of his or her own health. If they don't, in due time, they will have no healthcare at all. The government will be broke!

In His Word, God has given to every person, knowledge about health. And if one "seeks the Lord with all their heart" God will expand their knowledge and wisdom on how to be well.

God has given us a 100% GUARANTEE that if we do it HIS way, We WILL be FREE from EVERY disease!

"If you follow My laws (including God's Health laws) My commandments and My decrees, I WILL keep you FREE from EVERY disease."  
Deut 7:11-15

"I am the Lord who Heals you." Ex 15:26

"I am the Lord and there is no other." Isa 45:5
