

California Governor Gavin Newsom

Is a Marano

A Marano is a Jew Who PRETENDS to be a Gentile!

Lorraine Day, M.D.

During the Spanish Inquisition (1478-1834), the Catholic Church demanded that the Jews convert to Catholicism or be killed. International Jewry instructed the Jews in Spain to PRETEND they had converted to Catholicism, but still practice Judaism privately. When enough Jews were able to get inside the Catholic church, then they were to take it over!

The Jews who followed these instructions of the Elitist Jews, were called Conversos or Maranos, and eventually they **did** take over the Catholic church from the inside. That's why both rabbis and priests wear yarmulkes (beanie hats). That's why the Jesuits, a Jewish organization started by Ignatius Loyola, a Jew, actually run the Catholic church from behind the scenes. The head of the Jesuits is called the "Black Pope" meaning he is the Hidden ruler of the Vatican and the entire Catholic church. The person that the Catholics refer to as the "Pope" is really only the "Bishop of Rome" and subservient to the head of the Jesuits.

At least the last three popes (including the present pope) have been Jewish!

That's why many Jews are members of the Catholic church. It is a great "cover" – and the population of America, and other countries, does not recognize them as "Jews." This is the case with Gavin Newsom. He claims to be a "Catholic." However, his first wife, Kimberly Guillfoyle is Jewish, as is his second wife, Jennifer Siebel.

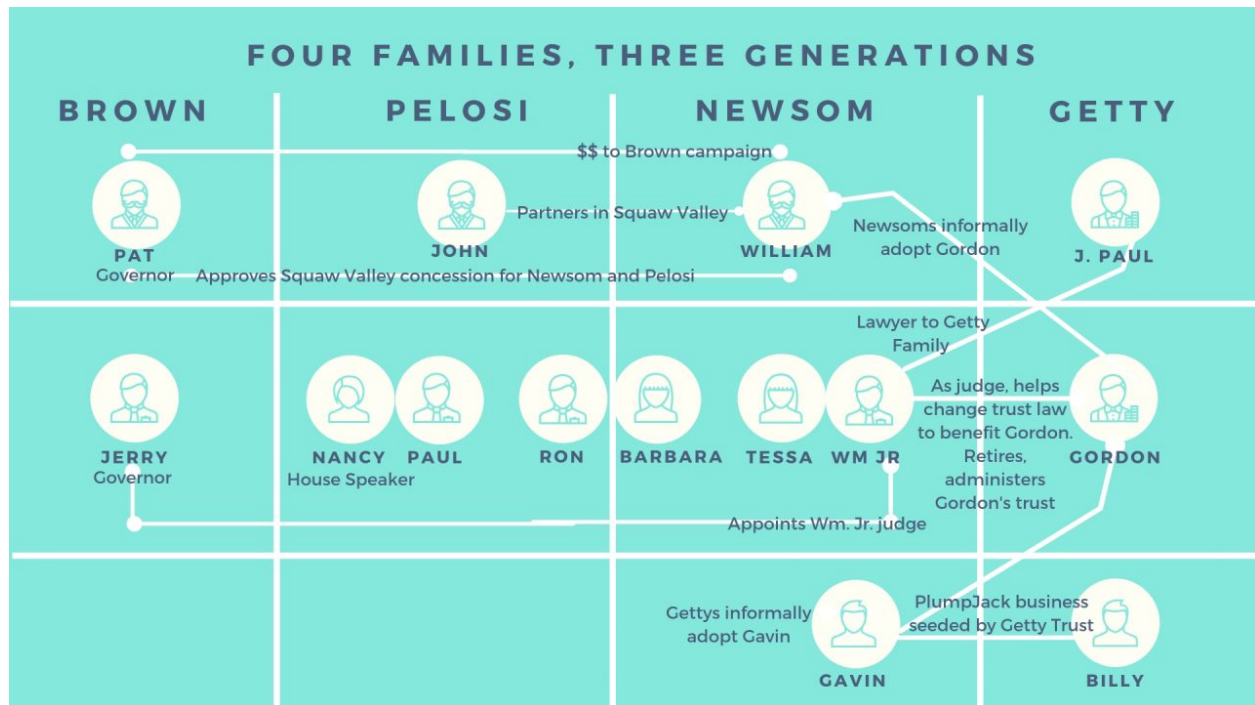

Gavin Newsom is also the brother-in-law of Nancy Pelosi, who is also Jewish. Nancy Pelosi's father, a corrupt politician named Thomas D'Alesandro Jr., allegedly was a "constant companion" of notorious mobster Benjamin "Benny Trotta" Magliano and other underworld figures during his political years in Baltimore, MD. D'Alesandro was a Congressman for five terms from 1938 to 1947, and Baltimore mayor for three terms from 1947 to 1959.

"My daughter is Catholic. My son-in-law is Jewish," Pelosi announced not too long ago. "Last week I celebrated my birthday and my grandchildren — ages 4 and 6 — called to

sing 'Happy Birthday.' And the surprise, the real gift, was that they sang it in Hebrew.”
 (published in the Jewish Journal)

No surprise here! The Pelosi’s are yet another family of Jewish “maranos.”

Gavin Newsom’s business, named PlumpJack, was funded by (Jew) Gordon Getty, who had been informally adopted by Gavin Newsom’s father, William. And then, Gordon Getty also informally adopted William’s son, Gavin.

Jerry Brown was born in San Francisco, California, the only son of four children born to District Attorney of San Francisco and later Governor of California, Edmund Gerald "Pat" Brown Sr., and his wife, Bernice Layne.- Brown's father was of half Irish and half German descent. His great-grandfather August Schuckman, a German immigrant, settled in California in 1852 during the California Gold Rush, according to Wikipedia (a Jewish-controlled internet “encyclopedia.”

It is highly probable that former California Governor Pat Brown, father of former California Governor Jerry Brown were (and are) Jews. Pat Brown’s grandfather was named August Schuckman, spoken of as a “German” immigrant, but was most probably a German JEWISH immigrant.

Jerry Brown had been a Jesuit seminarian before dropping out of that training to enter politics. As stated above, the Jesuits are a Jewish organization. Jerry Brown married Anne Gust. Gust is a Jewish surname.

So, both Pat Brown, and his son, Jerry Brown were/are Jews! This explains the liberal lunacy of Jerry Brown, who was called by virtually ALL Californians, "Governor Moonbeam."

Jews have run California for the majority of the last 60 years!

So, these four families, who have run California for most of the last 60 years, are ALL JEWS (masquerading as Catholics)!

And they have "run" California into the ground! Before they took over, the State of California had an economy that was larger than any nation in Europe. But these Jews have destroyed our economy, our standard of living, and our morality – as a population. California now has a Communist Government!

The Tentacles Reach Even Further

And now Kimberly Guilfoyle, Jew – and former wife of Gavin Newsom (Jew) – is dating Donald Trump, Jr – also a Jew – as is his father Donald Trump (family name Drumpf). That's why Ivanka Trump married Jew, Jared Kushner, a member of the vicious cult of Chabad Lubavitch, who are supreme haters of Gentiles.

The Chabad Lubavitch Jewish cult is the author of the secretly passed "Education Day" bill in 1991, a bill that gave the U.S. government the right to Legally Kill Christians just for worshipping Jesus Christ. The article on that issue, written by my late husband, Congressman Bill Dannemeyer: <https://www.spingola.com/Dannemeyer.html>

As Henry Kissinger said, "It is a WAR between Jews and Non-Jews!"
