

# Is There Any Way to Heal After Receiving the Injection?

Question received by Dr. Day on Jun 29, 2021

Hello Dr. Day,

I am curious if there is a way to heal after injection?

Dr. Day: No. the shot is meant to KILL you. It is part of the planned depopulation of the world. If you take the shot, you will DIE, probably within 4 years - or sooner!

There is NO WAY to Reverse it!

I have not taken it and refuse to, but I have been in close contact with many people that have and I feel like some spike proteins were transferred to me because I can feel inflammation in my body.

Dr. Day: We have no evidence that vaccinated people are “shedding” spike proteins. This appears to be more disinformation from government propaganda meant to frighten people even more.

The government wants vaccinated people to be fearful of - and angry at - those who are unvaccinated, because (they say) "they are putting everyone else at risk" (even though they are NOT - because the Covid-19 “virus” doesn't even exist).

And they want the unvaccinated people to be fearful of - and angry at - those who are vaccinated because (they say) “they are shedding spike proteins” (of which there is NO evidence).

People can get sick just by having fear and anxiety. Don't let that happen to you.

**Will boosting my nutrition clear my body if any spike proteins invaded my body?**

Dr. Day: It takes a whole lot MORE than just "boosting one's nutrition" to be well. Everything you need to know to be well is in the Super Starter Package that is on my website at [www.drday.com](http://www.drday.com) It's a very good idea to start changing everything about your life NOW, because they are, in the near future, going to DENY healthcare to anyone who refuses to get the KILL Shot! Putin, in Russia, has already announced that mandate.

This is the link to the Starter Package: <https://www.drday.com/#healthplanpkg>

But one of the main things that you need to do, as is discussed in detail in the Health Plan, is to learn to KNOW God - and TRUST God - (and that is NOT done by "going to church") by spending time with the Lord in earnest, systematic, daily Bible study and prayer.

And I have posted a lot of information about the Lord to help you on that journey, including over 300 FREE Bible studies on my other website at [www.goodnewsaboutgod.com](http://www.goodnewsaboutgod.com) at this "Spiritual Truth" link: <https://www.goodnewsaboutgod.com/topics.htm>

And about 250 more Bible studies at this link: "Monthly Home Bible Study": [https://www.goodnewsaboutgod.com/studies/spiritual/home\\_study/home\\_bible\\_study.htm](https://www.goodnewsaboutgod.com/studies/spiritual/home_study/home_bible_study.htm)

And start reading my books,

"Who Rewrote the Bible?"

[https://www.drday.com/who\\_rewrote\\_bible.htm](https://www.drday.com/who_rewrote_bible.htm)

"Who Started the Organized Church? It Wasn't God"

<https://www.drday.com/#organized>

"If Jesus Died for ALL, Why Can't He Save ALL?"

<https://www.drday.com/#forall>

The ONLY safety ANYONE will have with what is coming, is if they have the protection of Jesus Christ - which will only be operative if we know Him better than we know any human being on earth.

That's what ALL of this is about (everything that is happening now): learning to Trust God, as I make very clear in my newest book: The Deliberate Destruction of America and the World: Who's Doing it and

Why: <https://www.drday.com/#destruction>

You need to start studying in earnest, and changing everything about your life. My materials on health, the Bible, and the Politics of what's happening in the world will take 15 years off of your learning curve.

So, it's time for you to get started!
