

Jewish Destruction of the World!

"Some even believe we are part of a secret cabal....conspiring with others around the world to build a more integrated global political and economic structure - one world, if you will. If that's the charge, I stand guilty, and I am proud of it." - David Rockefeller, Memoirs 2002.

“The historical mission of our world revolution is to rearrange a new culture of humanity to replace the previous social system. This conversion and re-organization of global society requires two essential steps: firstly, the destruction of the old established order, secondly, design and imposition of the new order. The first stage requires elimination of all frontier borders, nationhood and culture, public policy ethical barriers and social definitions, only then can the destroyed old system elements be replaced by the imposed system elements of our new order. The first task of our world revolution is *Destruction*....”

~ Nahum Goldman, founder of World Jewish Congress, "The Spirit of Militarism" (1915)

REVELATION 3:9 BEHOLD, I WILL MAKE THEM OF THE SYNAGOGUE OF SATAN, WHICH SAY THEY ARE JEWS, AND ARE NOT, BUT DO LIE; BEHOLD, I WILL MAKE THEM TO COME AND WORSHIP BEFORE THY FEET, AND TO KNOW THAT I HAVE LOVED THEE.

JOHN 8:44 YE ARE OF YOUR FATHER THE DEVIL, AND THE LUSTS OF YOUR FATHER YE WILL DO. HE WAS A MURDERER FROM THE BEGINNING, AND ABODE NOT IN THE TRUTH, BECAUSE THERE IS NO TRUTH IN HIM. WHEN HE SPEAKETH A LIE, HE SPEAKETH OF HIS OWN: FOR HE IS A LIAR, AND THE FATHER OF IT.

- War is important in many ways for establishing the New World Order.
- War creates a constant flow of profits to our Military-Industrial Complex.
- War rids the world of a large number of useless eaters.
- War keeps people hating each other rather than focusing their attention on us, the people who create the conflicts.
- War establishes legitimate grounds for occupation and control of regimes resistant to full domination by the elites.
- Wars are enjoyable and amusing when you think about the dumb stupid animal canon fodder people that enlist to fight them.
- War creates the chaos out of which the New World Order will be established.
- But you must understand; war is not the ultimate goal.
- Power is the ultimate aphrodisiac.
- Power over the remaining few, that is our ultimate goal.
- Slavery is even more fun and satisfying than the mass murder of war.

Remember when democrat protesters stormed the US Capitol in 2021, took over the US Senate building, and tried to get into the US Supreme Court during the Kavanaugh confirmations? Democrat legislators and the MSM cheered it on. If it wasn't for double standards liberals would have no standards at all...

Secular Person: I want to do X.

Christian: You're free to do it.

Secular Person: But you think X is wrong.

Christian: Yes.

Secular Person: Because you want to control me.

Christian: No. You're free to do whatever you wish.

Secular Person: But you think X is wrong.

Christian: Yes, but only because I want what's best for you.

Secular Person: But I want to do X.

Christian: You're free to do it.

Secular Person: But I want you to say that X is good.

Christian: I can't say that.

Secular Person: Why are you such a hateful, intolerant
bigot?

What a shocking statement. Old people do not add risk to the global economy. They not only provide care and support, but are also a repository of knowledge, wisdom and experience. May God give them a still longer life span.

I'd like to ask Christine Lagarde, president of the European Central Bank, do you think people are just batteries that you throw away when you're done using them? 🚫🚫🚫🚫

The wind farm in Mt. Pulaski has been running for 3 1/2 years. They have been replacing the generators in all the wind towers. There are 100 of them in this wind farm. So evidently the life span on the generators on these things is about 3 to 4 years. It takes 12 semi trucks and trailers, A 9 axle 500,000 pound crane, A 100,000 pound crane and 12 pick up trucks to change each generator. That is a huge amount of diesel fuel being used to maintain these wind towers. And the wind company would like You to believe they are all fueled by magic fairy dust.

President Magufuli of Tanzania went missing in 2/21 by mid 3/21 he was dead. He challenged the WHO and WEF, tried to nationalize Tanzania's mineral wealth, expelled Gates and his GMO crops, revoked a license to a Mosaad linked mining company, refused rollout C-19 vax and exposed C-19 test failings.
