

## **An Anonymous Letter from “Your Globalist Friend”**

(This letter comes from an unknown source, it has been around quite a while. It tells the evil plans of the Jewish Illuminati and their partners in crime, Jewish-controlled Freemasonry, against the Gentiles of this world. The author is anonymous, but calls himself “Your Globalist Friend.” **Obviously, this man is too cowardly to use his real name.**)

Below is what he has written (in black), and MY (Dr. Lorraine Day’s) responses to his letter (in red).

Dearest Citizen of the World,

I believe the time has come to reveal to you some of the perplexities you have faced in recent decades. It is well for you to understand some of these things so that you might know how to behave in the New Order now taking shape on the earth. We want you to be able to become fully involved and integrated into our new society. After all, this is for your best interest if you will do.

What we really know is that you want us dead. First you want to humiliate us – and then, you want us dead! You have stated that very clearly in the Protocols of Zion, the Georgia Guidestones, Silent Weapons for Quiet Wars, Report from Iron Mountain, and many other documents. It appears that you must reveal to us, surreptitiously, what you plan to do to us, in order for you to become appropriately exhilarated by your evil.

First of all, it is well that you understand some of our purposes so that you may more fully cooperate. I cannot tell you the hard times you will face if you resist us. We have ways of dealing with resisters. (Vicious

Communists always do!) I am only telling you this now, since it is much too late to turn things around. The days of putting a stop to us have long since passed. We have full control of the earth and its finance, along with the major media propaganda, and there is simply no way any nation or power can defeat us. We have eyes in every level of government in every nation of the world. We know what is being planned, for our ears and eyes are ever present. State secrets are fully known to us.

Your control of the earth through your leader, Satan, whom you worship, is only temporary. God is still in charge. He makes “one vessel for honor and one for dishonor” – and clearly, you and your associates are “vessels made for dishonor” at the present time.

This is the culmination of the “War of Armageddon” between Christ and Satan – the war between good and evil - that began in the Garden of Eden.

Eventually, all of you who are bringing this evil on the earth will be revealed to the whole world, and then it will be your turn to be humiliated. You are oblivious to the fact that God has been in control of your life from the day you were born. Your “job” is to show to the world how evil – evil can get – evil that will come back to you in the last eon, after the judgment, when you will “reap what you have sown.” And how horrific that “reaping” will be for you and all your friends!!

China recently accused the media in the U.S. of lying about Kosovo. Oh, you silly people, of course we lie. (Of course, you lie! You are “of your father the Devil,” who is the “Father of lies” according to Jesus Christ! Lying is one of your hallmarks.) In this way we can keep the people unbalanced and always facing controversy which is very helpful to us. Have you not seen the talk show spectacle? Some of you believe we are the liberals and the good people are the conservatives. In reality, both serve our purposes. Each camp merely serves with the stamp of our approval but they are not allowed to present the real issues.

There are many of us who know that there is no difference between the parties. You Jews control them both. The House of Representatives and the Senate are both under your control. You use them to make Americans

“think” they have a “voice” in their own government. But we know it is all a sham.

By creating controversy on all levels, no one knows what to do. So, in all of this confusion, we go ahead and accomplish what we want with no hindrance.

As you have said in your documents, you create confusion, violence and chaos so, eventually, the world will beg you – under the guise of the United Nations – to take over the world and restore order. This has ALWAYS been the plan of your leader, Satan, who is the author of Chaos!

Consider the President of the United States. Even though he regularly breaks every known check on his power, no one can stop him. He goes ahead and does whatever we want him to do anyway. The Congress has no power to stop him. He does what we want since he knows if he does not, because of his rather dark character, we can have him removed in a moment's time. Is not that a rather brilliant strategy on our part?

That's how you function – you blackmail everyone. Jeffrey Epstein was generously funded by the Jewish Rothschilds and their agents to do just that: make sure every politician and person of authority could be compromised. You have no morality – and you are proud of it!

You cannot take us to court because you can't see us and the courts are our servants as well. (There are many of us who CAN “see it.” WE know you own the courts, including the Supreme Court. You are so smug in your belief that no one can stop you. But in the near future, you will be shocked at what will happen to ALL of you!) We run everything, yet, you do not know who to attack. I must say this hidden hand is wonderfully devised and without any known historical precedent on this scale. We rule the world and the world cannot even find out who is ruling them.

There are many of us who DO know who, at the present time, runs everything: the Jewish Rothschilds and their agents, who own the money supply of almost every country in the world.

This is truly a wonderful thing. In our media we present before you exactly what it is we want you to do. Then, as if in a flash, our little servants obey.

Those who follow Satan always want total control. And you have it – but only temporarily.

We can send American or European troops to wherever we like, whenever we like, and for whatever purpose we like, and you dutifully go about our business. How much more evidence do you need? We can make you desire to leave your homes and family and go to war merely at our command. We only need to present some nonsense to you from the president's desk or on the evening news and we can get you all fired up to do whatever we like. You can do nothing but what we put before you.

Indeed, you can. But again, your control is only temporary. Satan cannot do anything unless God allows it. Satan understands that the Second Coming of Jesus Christ is soon and he (Satan) wants to destroy ALL goodness from the face of the earth, especially all vestiges of Christianity, Christians and the Bible. He wants to be the “god” of this world.

## YOUR VAIN RESISTANCE

When any of you seek to resist us, we have ways of making you look ridiculous as we have done with your militia movement. We have delighted to use this movement to show the world how impotent any resistance is. They look so silly marching around with their guns as if they were some match for our military. Look at what we did near Waco. Did the Davidian's little store of weapons help them?

Those who try to resist with guns and killing are not true followers of Christ. They use the same methods as you use – you who are the followers of Satan. Obviously, they will not be successful.

We have generously taxed you and used that money to make such sophisticated weapons you can in no way compete. Your own money has served to forge the chains we bind you with, since we are in control of all money. Some of you think you may escape by buying some land in the country and growing a garden. Let me remind you that you still pay us ground rent. Oh, you may call it property taxes, but it still goes to us.

Again, every day of your life was planned by God before you were born. You are a “vessel of dishonor” to show how evil – evil can get. The only way the universe will be safe from sin – forever, is when everyone has had

enough experience with sin that they decide they don't want it. Even YOU will eventually come to that conclusion, through your horrific "reaping of what you have sown."

You see, you need money no matter what you do. If you fail to pay your ground rent to us, we will take your land and sell it to someone who will pay us. Do you think we cannot do this? And with your ground rent we pay for the indoctrination of your children in the public schools we have set up. We want them to grow up well trained into the system of our thinking. Your children will learn what we want them to learn, when we want them to learn it, and you pay for it through your ground rent.

Those funds are also used for other projects we have in mind and our contractors are paid handsomely for their work. You may doubt that we own your children, or have such control, but you will find that we do. We can declare that you abuse your children when you spank them and have them confiscated. If they do not show up for school indoctrination, we can accuse you of neglect, thereby, giving them to us. Your children are not yours. They are ours. You must inoculate them, you must bring them to our hospitals if we decree or we will take them from you.

And you are so degenerate because of your worship of Satan, that you use children for sex trafficking, drink their blood (adrenochrome) in your attempt to "live forever", kill them as a sacrifice to your god, the Devil, and use them for filthy pornography and pedophilia: all the things that followers of Satan do. Actually, YOU are the slaves to your master – the Devil. He owns you and you are his slave. You "think" you are free, but you are completely controlled.

You know this and we know this. Through our electronic commerce we are able to see where you are, what you are buying, and how much you have to buy things with. Where do you suppose we come up with our monthly financial statistics?

Through the Internet and other sources we can even know how you think and what you say. It is not especially important to us what you believe as long as you do what we say. Your beliefs are nonsense anyway. But if you think you have a following, and we perceive that you might be somewhat dangerous to our agenda, we have ways to deal with you. We have a Pandora's box of mischief with which to snare you. We can have you in

court so long you will never get out. We can easily drain away all your assets over one pretext or another.

For those of us who are true followers of Jesus Christ, you cannot do anything to us unless God allows it. And if God allows it, He promises to go through it with us. Again, your power and control are only temporary – to prove to everyone what it's like for Satan to run this world. Jesus Christ controls every minute of your life. You can only do what He allows you to do!

We have an inexhaustible fund with which to draw from to pay our lawyers. These lawyers are paid by you in the form of taxes. You do not have this vast supply of wealth. We know how to divide and conquer. Have we not brought down rulers of countries through our devices? Do you think your tiny self will be any match for us?

It is God who “sets kings up and takes them down” (Daniel 2:21). He just USES YOU and your ilk to do His bidding. You “think” you are making your own decisions, but God is in control of your leader, Satan, as well as He is in control of YOUR life.

## YOUR VAIN ORGANIZATIONS

And, let us consider your religions and the "moral majority." The "moral majority" is neither moral nor is it in the majority. We have delighted to use this wet noodle of a movement to make ridiculous the Christian faith. The silly men who run that organization always end up with egg on their faces.

We know you have infiltrated all the Christian denominations and injected false doctrines into all the churches to make Christianity almost nonsensical. But “churches” are not the place to find Jesus Christ. They are 501c3, tax exempt government organizations whose leader is the State and not Jesus Christ. Christianity is NOT a religion. It is a personal relationship with Jesus Christ with no one in between.

We have always put them in defense of themselves as we have so successfully done with the NRA. We can make it seem by our media propaganda that the National Rifle Association is actually the New Radical Attackers. Have we not turned the American conservative movement on

its ear? If it serves our purposes we can use the conservatives to turn the liberals on their ear. It makes no difference to us but it serves to make you believe there are two sides struggling for their particular position. This helps to make things seem fair and free since everyone has a voice. Actually, there is only one side now with all kinds of masks on, but you are unable to penetrate our purposes.

We have, indeed, “penetrated your purposes.” You are “of your father, the Devil” as Jesus stated when He was on earth. You are his slaves and Satan has deceived you into believing that you will win at this “game.” But you will be dreadful, horrendous losers, and will eventually reap the consequences of your atrocious crimes against humanity.

You see, we can do whatever we like and you can do nothing about it.

(Actually, you can't. You cannot do anything to true Christians unless God allows it. And if God allows it, He has something for us to learn by going through it. And He promises “Never to leave us or Forsake us.” Heb 13:5)

Does it not seem reasonable that you simply obey and serve us? Otherwise, you get eaten up in the resistance you suppose will liberate you. You cannot be liberated. Imagine how you can.

Eventually, we will ALL be liberated by knowing Jesus Christ. Even YOU will eventually worship Jesus Christ – AFTER you have reaped everything you have sown.

We supply your fuel for your cars. We can turn it off whenever we like claiming that there is some sort of fuel shortage. What if your car breaks down? You cannot get parts for it without us. We supply all the money you use. At any whim of our desire we can stop the money supply or cause a complete crash all together. We can then order the president to declare all money worthless and that we will have to have new money. All of your stashes of cash will go up in smoke in a moment's time. Don't you need food?

God provided manna from heaven for the Israelites in the wilderness who, by the way, were Christians – NOT “Jews.” The word “Jew” is not found anywhere in the Bible in the original Hebrew or Greek. It was the Jewish

translators who fraudulently wrote the word “Jew” into the Bible. God can easily provide food for His true followers. God doesn't need your help!

If necessary, we can cause a trucker's strike which would stop deliveries of food to your local store. We can starve you whenever we like. You only have food because we have provided it to you from our table. During the great depression we controlled the food. We heaped mountains of food behind fences and let it rot. The hungry were then made to work in our labor camps even though there was enough and more to feed them. Do you really think you can beat us?

Of course, we can – and we will! But not by using the methods of you and your leader – the Devil: methods of force and violence! We are true followers of Jesus Christ, who created us – and you – and who will ultimately be triumphant. He is the Savior of the world!

You say you will hoard gold coins so you will still have money in the time of the crash. We can simply pass a law which outlaws the possession of gold as we have done in the past. If we find gold in your possession, we would simply confiscate it and put you in prison for breaking the law. While in prison you would be required to work in one of our prison industries.

We have so formed a picture of the labor camps in our prisons these days that no one seems to object to them. We tell people that murderers should pay for their own keep. No one seems to consider that we have the power to put tomato growers there also. We can pass laws that prohibit gardens and then make up some scientific reason why you may only buy food from our sources. If someone sees you growing tomatoes, they will report you to us and then we will have you in our fields working for us. Oh, silly nationalists, there is no escape for you, for since long before you were born, we were planning your capture.

Oh, silly followers of Satan! You think you are so smug because of the lies you have been told by your leader, the Devil. You worship him with a fervor, not understanding that he hates all of you – as much as he hates all of us.

Your teachers and ministers have been forming your thoughts for us for generations now. You have no idea how to pull out of our influence short

of suicide. Go ahead and commit suicide, it will only help us to deal with the excessive population. You cannot hurt us, find us, or even imagine what we are up to.

Of course, we know who you are and what you are up to. The Bible tells us explicitly. You are the “synagogue of Satan” – the Jewish Illuminati run by the Rothschilds, who are agents of the Devil. We have no desire to hurt you. But Jesus Christ has stated, “Be not deceived. God will not be mocked. Whatsoever a man sows, that shall he also reap.” (Galatians 6:7) And through that horrendous “reaping” you ALL eventually will recognize your need for Jesus Christ to run your life.

I am throwing you these few crumbs only so that you may, if you have a little good sense, obey and follow our orders.

## YOUR CONTROLLED MIND

We run Hollywood. (The true followers of Christ have known that for decades.) The movies such as Terminator and Armageddon, along with a great host of others, were simply created to get you thinking according to our directions. You have been made to delight in violence so that when we send you off to kill some bad man we have put before you, you move without a whimper. We have placed violent arcade games in your malls to prepare your young minds in the art of battle. We have made you to view our armies and police as the good forces and you submit to things that were unthinkable just a few decades ago.

We know that most people on the earth have been deceived by you and your leader, Satan. But again, that is only a temporary situation. You will be exposed to the world for your evil deeds, right before Jesus returns. I realize you don't believe that because you have been blinded by your temporary power. But your leader, Satan, doesn't have freewill either. He can do nothing unless Jesus Christ allows it. In Job, chapters 1 and 2, Satan ADMITS he does NOT have “Freewill.” He can do NOTHING unless God allows it!

Our artful programs, are all designed to help you submit and even help the New World Order. Star Trek, and other such creations, have taught you to simply obey orders from the new international rulers. Oh, silly people, you thought you were being entertained, while you were actually being

educated. Dare I use the words, "brainwashed" or "mind control?" By the way, have you seen the new Star Wars? What a masterpiece of mental manipulation. Humans confer with nondescript beasts of all shapes and sizes and they confer in English. I wonder where those space beasts learned English. Oh, the simpleness of the mind of the citizen. He never considers he is being taken into fairyland. We have placed advertisements for Star Wars almost everywhere you go. You will find them in Wal-Mart, K-Mart, Taco Bell and a host of our institutions of commerce. There is something we want you to learn from this movie. Or, perhaps it could be said, there is something we do not want you to learn, from Episodes 4-6. Either way, we will have what we want in the whole affair. Of course, to keep you off guard we have instructed our elected officials to appear to be correcting the evil of our violence.

President Clinton is now speaking against violence in Hollywood movies. This will not solve the problem, but will only make the people believe the problem is being worked on.

Sex and violence are the very best powers to use to help us gain our advantage. How the people loathe to give up their sex and violence, so we place all they want before them. In this way, we keep them so occupied they do not have the integrity or brain power to deal with the really important matters which are left entirely in our hands.

The people are deceived temporarily because that is God's plan. Evil has to become so Bad – and even turn on those who are responsible for it – that even YOU will realize you want Jesus Christ to run your life.

President Clinton has been very helpful to us. We knew of what character he was before we placed him as president. Exposing him was very helpful in adjusting the moral habits of the youth downward. This is to our advantage. Even more agreeable to us were the vain efforts of those who thought they could remove him against our will. He is useful to us and he will not be removed by anyone until we are ready to have him removed. Excuse me if I seem to be mocking your system of beliefs, but they are rather outdated. Have you no eyes to see your vain liberties and your righteous pontifications are nothing before us? You can only do what we say you can do.

And YOU can do only what God says you can do – and, for the time being, your “job” is to show the world how evil – evil can get!

We remove presidents when we are ready and the leader we set up will be there until it serves us to have another.

YOU think YOU are doing that, but God is using you to do HIS will. “God sets kings up and takes them down.” Daniel 2:21 You just THINK you are doing it! God is in control of every moment of your life.

At that time we place our proposed leader before you and you vote for what we want. In that way we give you the vain voting exercise in the belief you had something to do with placing your president in office.

We use the nations for what we want to use them for. Everyone knows that they must yield to us or die. Fortunately, we have had a few resisters such as Saddam Hussein and Slobodan Milosevic that have been helpful in showing the world leaders what we will do to them if they do not submit. There is only glory in following our purposes and doing what we say. If one does not, there will be such a sad and tragic result. I would really have you spared of such an end. But, then, again, if you are not spared, it is of no consequence to us. We will use you to alleviate some of the overpopulation problem.

And that is exactly what you are doing with the FAKE Covid “pandemic.” You are exterminating the population with your Kill Shots that you call “vaccinations.”

## YOUR SILLY REBELLION AGAINST OUR DOMINION

Some of you have thought you could stop us by placing a bomb in one of our abortion clinics or in a government building. Silly souls! How can that hurt us? All that does is give us an example to use so that we might place more controls and heavy burdens on the population. We love it when you rebel and blow something up. (Actually, you Jews are usually the ones behind the scenes orchestrating these events.) You are our reason for making more laws against all those things which might contribute to your freedom from us. If someone did not blow something up on occasion, we would have no justification in placing more hedges about you. Can't you see how impossible it is for you to resist us? The more you wriggle, the

more we squeeze. Our kingdom is the kingdom of money. (And Jesus said, "The Love of money is the root of ALL evil." 1 Tim 6:10) Excuse me, but I must confess that we are the rulers of the kingdom of non-money.

You must see the humor in that statement. We have given you a piece of paper or some numbers on a computer screen that we have termed money. It is backed up by nothing and proven by nothing but what we say it is. We create it from nothing, we print it, we loan it, we give it its value, we take its value away. All things that have to do with money are in our hands.

Think of it, what is it that you can do against us without money? If you try to resist, we can cancel your credit or freeze your accounts. Your cash is easily confiscated. We have made so many rules in the realm of living that you cannot live without money.

Of course, we can. All of this chaos that you are bringing about now is to teach us that we need Jesus Christ to run our life. "We must obey God, rather than man." Acts 5:29 Your evil ways are totally under the control of Jesus Christ, who is using you to teach the world that everyone needs Jesus Christ to run his or her life.

Camp on government land and you must move in two weeks. You cannot grow much of a garden in two weeks. Many of our wilderness trails are entered by permit only. We have passed laws that do not allow you to live in trailers over a certain period without moving to another location. Have you not thought it ridiculous that we will allow a man to live in a box full time but we will not allow a man to live in an RV full time unless he is in a taxpaying campground?

## OUR UNFATHOMABLE MYSTERIES

Our recent war in Serbia has many purposes to it but we do not speak of these things openly. We let the talk show hosts blather all sorts of nonsense but none of it touches the core.

First of all, there is a wealth of natural resources in Kosovo that we must have complete control of. Kosovo has large supplies of uranium in its soil

and uranium is very helpful to our regime. Also, it suits us to keep all such minerals out of the hands of potential enemies. Milosevic has not been helpful in giving those resources into our hands so we simply make things difficult for him until he does. Even now victory over Yugoslavia is imminent. We are reducing that proud nation to the level of humility we require from all people. After the war, if Mr. Milosevic does not sufficiently humble himself, we will take him to the world court charged with war crimes. We made up that term; rather ingenious, don't you think? How could there be such a thing as a war crime? The very nature of war is that the rules are off. It is so entertaining to watch the nations try to fight war according to the laws we have placed before them. The only war crime there really is only involves the crime of being against us. Anyone against us is violating our law. As you have seen when someone is for us we do not care what they do. Was not Nelson Mandela a bomb-toting terrorist who killed many of his enemies? We made a hero of him. We observe no laws when it comes to war. We do what we want, when we want, and where we want. We can starve nations to death, we can ruin civilians and any other horror for which we would take our enemies to court. Look at our example. We bomb Serbia out of its wits, bomb Kosovans out of their homes, poison their rivers and streams, turn off their electricity making a grand crisis in that country, and then we masterfully make it appear it is all Mr. Milosevic's fault and he needs to go to court for it. It is the same way we made our inferno at Waco look like Mr. Koresh's fault.

Then there was our chief villain, Saddam with all of his weapons of mass destruction. Bad men are a dime a dozen and we can conjure one up whenever it suits us. This is really quite funny when you think of it. I am not one who is usually given to humor, but I do catch myself laughing sometimes at the absolute absurdity of the notions we place before you and you readily accept. Do you wonder that the leaders of the world tremble at our presence? They know they have no power except the power we give them.

The leaders of the world may “tremble” at your presence, but a true follower of Jesus Christ does NOT “tremble” in the least at your presence because, “Greater is HE (Jesus Christ) that is in us, then he (Satan) that is in the world (you and your Jewish Illuminati/Freemason cohorts) who will “cry for the rocks and mountains to fall on you – to hide yourself from the wrath of the Lamb” (Rev 6:16) – Jesus Christ, at His soon Second Coming, who promises that all of you will “reap what you have sown.”

We have no fear of Russia or China for we are already in full control of their system of things. China knows that we can freeze any number of its corporations in America and all of its capital at the stroke of a pen. We want you to be in the system. When you are buying a house, we not only receive the tax revenue to use for our purposes, but we gain large increases from the interest on the loan. You may pay for your house two or three times over from the interest alone. The interest is also taxed which is again placed for use in those sectors of influence we choose. We do not want you to escape free and that is why we have made it as we have. You are our property.

We were created by God, as were you, and we belong to Him. Eventually, God will “reconcile ALL to Himself.” Col 1:20 – and that includes you, the Rothschilds, and all their evil, conspiring agents. “God is the Savior of ALL mankind” (1 Tim 4:10) but only AFTER they have all “reaped what they have sown.”

We will not permit you to buy or sell unless you submit to our mark of authority.

We know that. The Bible tells us that in Revelation 13:17. And YOU and your cohorts will be responsible for that. But God can bring water out of a rock, He can bring manna from heaven. When Elijah was at the Brook Cherith with no food, the ravens fed him. We don't fear you because God has promised to “supply ALL our needs” if we trust Him (Phil 4:19).

If you go to court against us, we will wear you out there and in the end you will lose. If you use violence, we will end up having you in one of our labor camps, more specifically called prison industries. You need our money, our entertainments, our fuel, and our utilities to function and if you don't have them, you feel deprived. By this, you are made to yield to our will.

There is NOTHING you can do to us, who are the true followers of Christ, unless God allows it. And if God allows it, no one can stop it. But Jesus Christ promises to go through it with us.

We don't fear you. We feel sorry for you. The “reaping” you will have to suffer after the Judgment will be far worse than anything you can imagine.

But through that horrendous, ghastly, gruesome “reaping”, all of you will recognize your need for Jesus Christ to run your life.

Jesus Christ loves everyone and there is no one beyond His reach – not even you and the Jewish Rothschilds. “God is the Savior of ALL mankind.” (1Timothy 4:10)

Once you, and all of your (now) evil partners in the most terrible crimes ever visited on humanity, are converted, and become followers and worshipers of Jesus Christ (through your horrific “reaping” after the Judgment), I look forward to meeting you.

At that time, and only at that time, will you be my “Globalist Friend.” The the “Ruler” of the “Globe” at that time will be Jesus Christ.

*Sincerely,*

*Your Globalist Friend*
