

Deluded, Deceived, Duped DeSantis! (and the rest of America)

Governor Ron DeSantis

I've made it clear since taking office that **I will be the most pro-Israel Governor in the nation** and that BDS is DOA in Florida. Today's roundtable with Israeli officials in Gush Etzion provided valuable insight into the BDS movement, its targeting of Jewish businesses and organizations and the harm that this movement also causes Palestinians. When I became governor, we took immediate action to stand against commercial discrimination of Israel by placing Airbnb on Florida's scrutinized companies list and we have since been successful in convincing Airbnb to reverse its discriminatory policy. Florida is a very pro-Israel state and the people in Israel should know that we really value our relationship.

**Ron DeSantis has ALREADY SURRENDERED to the New World Order, and doesn't even know it, because he doesn't know the JEWS RUN the New World Order!
(or he's "Controlled Opposition")**

The ONLY reason Ron DeSantis was allowed to win in Florida is that he is has already **surrendered to the New World Order**, and doesn't even know it. If he ever Wakes Up, he will realize that the JEWS are running the New World Order. And if he ever opens his mouth to expose them, that will be the END of his career in politics!

The JEWS own BOTH the Democrat and Republican parties!

**The U.S. Elections Have Been Rigged
for at Least THIRTY YEARS,**

and Probably for the Last 100 YEARS

Way back in 1992, two young entrepreneurs – brothers – James and Kenneth Collier, decided to write a book about running for Congress. Kenneth was the candidate and James ran his campaign. They learned very quickly that the elections are ALL rigged, and the whole voting system is corrupt.

Read their book - Votescam: The Stealing of America by James M. Collier and Kenneth F. Collier (if the Jews haven't already removed it from circulation and purged it from the internet).

Not only that, the voting machines are all made by Jewish-owned companies and the vote can be changed in the machine, even by remote control. I have seen a video of a computer expert, in court – before a judge – showing how the vote can be changed secretly, in a voting machine.

The U.S. Government is a Corrupt Criminal Enterprise run by the Jews!
