

# **The Descendants of Cain are Destroyers: 3500 years ago - - - and Today!**

Not long after creation, insubjection became the leading theme of humanity, even as the subjection of ALL is the theme of humanity at the close of time. One of the first recorded acts was motivated by insubjection! Cain, **the very first human being who was born**, committed the crime of crimes, the murder of his brother. Beyond that, he generated a whole line that so corrupted humanity that it had to be drowned with a deluge of water. This line of Cain is worthy of our close consideration, for it is the primal background by which to apprehend and appreciate the final subjection of ALL!

One of the greatest tragedies in the history of humanity was staged by the line of Cain. It began with the murder of Cain's brother, Abel, and ended by the ruin of the whole human race (except Noah and his family) in the flood.

Adam not only sinned and introduced death, but he also failed in his family relations. Not only did he obey the serpent instead of God, but he did not sufficiently train his son in obedience to God, or to himself. We do not read of a single effort on Adam's part to restrain Cain or the race of which he was the head. We see the same sins on all sides today.

## **True Subjection**

True subjection is based on sacrifice, humility, and worship. It was because Cain would not acknowledge his own insubjection, his mortal incapacity to reach the divine standard, that he refused to bring an acceptable present to God.

This revealed his inner state of self-righteousness, that built a barrier between him and God, the Subjector, and led his whole line to live in opposition to God's will and way, until it spread to the rest of mankind, and brought on the Flood, that swept them all away.

Cain not only killed his brother, but he inaugurated a line of conduct that eventually led to the violent execution of nearly the whole human race.

Adam, for his offense, was excluded from the garden of Eden. Cain, for killing his brother, was still further banished from the divine presence. The ground was cursed for Adam's sake. Cain was driven far away from God.

Adam evidently stayed near the garden, but Cain was sentenced to be a rover and a wanderer far from his father's home. In every way his fate was more fearful than that of his father. But there was worse than this. Adam was doomed to be dying, along with his offspring. But Cain was marked as a murderer, and in constant fear of his life, so had to receive a sign lest others kill him. Do not fail to notice the **rapid deterioration** of human society in the very first generation.

Also remember, at that time, everyone on earth was a close relative of Abel – the brother that was murdered by Cain. It's not surprising that so many wanted to kill Cain.

NONE of Cain's line survived the flood, or are living today.

Cain was guilty of first degree murder. In this era, that would have probably given him a death sentence. But instead, he became the forefather of a long line of evildoers who were principally responsible for the ruin of the earth.

Had Cain been executed, there would not have been a line of evil descendants from Cain. But evidently, God felt a line like this was absolutely necessary, at the very beginning, as a foil for the display of the line of Abel, or Seth, and to provide a background for the final subjection of ALL.

### **The First City**

The first city was built by Cain, the first man to be born, in opposition to the will of God, the Subjector. God had commanded that Cain be a "wanderer" but had promised that God would protect him (Cain). But Cain again proved his complete insubjection by rejecting God's command to be a wanderer, and revealed his total lack of Trust in God, by building a city to **protect himself**.

This first city, built by Cain, seems to have been the home of several generations, until Lamech and his sons left the city to dwell in tents and herd cattle. So, the "city" goes back almost to the beginning of humanity's sojourn on the earth.

### **Cain's Line Insubordinate**

Cain refused to offer the sin offering provided by God for his restoration (Gen 4:6,7). The sacrificial lamb was subject to his will, but he (Cain) was not subject to his Subjector, God. Instead of slaying the lamb for his *restoration*, Cain slew his brother, Abel, to his *degeneration*. The very ground that had opened its mouth to receive his brother's blood no longer would give its vigor to him. Indeed, he was afraid that he would be killed, even as he had killed Abel, so he was given a sign, so that no one should kill him.

Cain was banished to the land of Nod (Wandering), east of Eden. There he was supposed to rove about for a livelihood. But at a distance from God, he continued his career of insubjection, and built a city, contrary to the sentence passed upon him.

It has been suggested that the sentence of Cain, that he should be a rover and wanderer, was passed in order to keep the way of Cain from becoming established in the earth. On the other hand, Cain desired to give it a permanent foothold. This is confirmed by the builders of Babel. They said: "We are building a city for ourselves. . . lest we be scattered over the surface of the entire earth" (Gen 11:4). They wanted to make a name for themselves. Cain probably had the same selfish motive.

### **Why Did Cain Build a City?**

Why did Cain build a city? He was afraid, even with the sign given him by God to protect him. He had no confidence in it and wished to live in a safe place, where he could defend himself.

In ancient times cities were built for protection. Indeed, the names of many of them still have endings, such as –fort, or –burg, which show that they began as a shelter from dangerous foes. Ancient cities were walled to keep out enemies, and the gateway was guarded to prevent their entrance.

So it was that Cain, refusing divine protection, denuded a spot of its vegetation (the derivation of the word "city"), and built a walled enclosure in which to live, instead of wandering about in the country east of Eden, as he had been charged to do. He was more afraid of his relatives than he was of God. The first city was built to shield a murderer from the vengeance of his relatives.

### **Cain's Descendants**

The Bible gives us the names of Cain's descendants, and the names all have a meaning that might give us a clue to their place in God's plan.

#### **Enoch:**

Cain named both his son and his city Enoch, that means "Dedicated." Later on, there was another of this name, in the line of Seth – the righteous line. He was the seventh from Adam, and prophesied concerning these early days (Jude 14,15). He speaks of "their irreverent acts in which they are irreverent, and concerning all the hard words that irreverent sinners speak against God." We have seen the irreverent act of Cain in building a city contrary to the decree of

God. Now we find Cain's irreverence expressed in a *word*. The term "dedicate" usually has a good or even reverent usage. Yet Cain's son, Enoch, and the city were *dedicated* to the murderous ways of Cain.

Later, when the temple was built in Jerusalem, it was *dedicated* to the ways of God (1 Kings 8:63; 2 Chron 7:5).

### **Irada:**

Enoch's son was named Irada, which appears to be irreverent again. It means "city suffices" – possibly another insult to indicate the apparent success of the city in protecting and sustaining Cain and his descendants. God had doomed them to a roving, wanderer's life, such as the Bedouin live today, but they made a city suffice them, in spite of God's words.

### **Mehujael**

Next in the line of Cain was Mehujael, a name that means wiping-(out)-Subjector! It appears that the patience of the Subjector (God), in allowing the city to exist, led them to further defy Him, so they used His title (El) at the end of the name.

However, in view of the future flood, it was God who would wipe out mankind from the surface of the earth. ALL of Cain's descendants died in the flood. Noah was of the line of Seth.

### **Methusael**

A free rendering of Methusael would be Death-is-questionable. When we realize that no one, not even Adam, had died of natural causes up to this time, as well as their attitude of unbelief, it is no wonder that they preferred the words of the serpent, "You shall NOT die" (Gen 3:4) to the words of God's emphatic statement to Adam (In the day you eat of the tree, dying you shall die."). In contrast to Cain's line, Seth had named his son Enosh, which means *mortal*.

It is easy for us to acknowledge that death reigns on the earth because we see it operating on all sides, and our cemeteries are filled with numerous graves. But to them, at that time, it was something outside their experience.

### **Lamech**

We now come to a crisis in the history of Cain's line. This seems to be suggested by the name Lamech. It means *impoverish*, or *reduce to poverty*, and is translated *become poor* in the KJV (Lev 25:25). He and his family seem to have left the protection of the city, for, of his sons, Jabal, is the forefather of the

tent dweller and the cattleman, while his brother Jubal made the music of a shepherd, and Tubal-Cain became a maker of copper and iron tools. Such men must have been rovers and wanderers, so that they carried out the Subjector's decree in spite of their violent insubjection.

This is the **sixth generation of humanity in the line of Cain**, and the living conditions change greatly. No longer have we a simple list of the succeeding sons, of which we know little except what can be gathered from their names, but a whole family, with two wives, three sons, and a daughter. Descendants of the sons are not named. Two of the sons are called forefathers of occupational classes, connected with cattle and sheep, living in tents. This shows that they no longer live in the shelter of a city, but protect themselves by means of weapons made of copper and iron, made by the third son, Tubal-Cain.

### **Jabal, Jubal, Tubal-Cain**

The remarkable feature of the names given to the sons of Lamech is this: they all have the same stem, *-bl*, with the basic idea of DISINTEGRATE. Coming, as this does, at the end of the line of Cain, it may indicate the break-up of the family as a unit. It is certainly most appropriate as a register of the result of insubjection to Elohim. If Jabal was a cattleman, living in tents, he would be forced to leave the city. And so with Jubal with his shepherd's pipe. To get his iron and copper, Tubal-Cain also would probably need to depart. The whole family of Lamech was *disintegrated*.

We have arrived at a similar condition today.

Never have men been so proficient in killing one another or in ruining the earth, so that there is perplexity and chilling of men from fear and apprehensiveness of that which is coming on the inhabitants of the earth (Luke 2:25,26). The whole human race has gone through a test, as it did before the flood, and stands before a judgment from which it will not be able to save itself – even with its enormous power to destroy.

### **Tubal-Cain**

The word *thbl*, from which the first part of this name is derived, is used many times of the earth as the habitation of mankind. It is usually mistranslated "world" in popular versions, but refers to the fact that the surface of the present earth, unlike the new earth of the future, is continually crumbling to pieces. Sun and wind and water from without, and internal heat, and upheavals from within, are destroying it. These forces also formed the mineral deposits. As Cain means acquire, Tubal-Cain may indicate that he had acquired mineral deposits from which he obtained his iron and copper ore.

Furthermore, these acquisitions provided a basis for strife. Even the graziers of Abram and Lot had contention (Gen 13:8). Wherever there are cattle ranges and flocks of sheep, there is a possibility of dispute. The same is true of mines of metal. Tubal-Cain seems to have been the first to make metal implements for fighting. This gave Lamech a considerable advantage, and he used it to kill some who injured him or struck him hard enough to leave a welt. He is so elated over this that he immortalizes it in a poem, and threatens all comers that, if they harm him in any way he will avenge himself seventy times as much as Cain would be.

Here we have the beginning of armaments, and the proud boasting of those who possess superior weapons.

The historian Josephus wrote the following in A.D. 93:

“Nay, even while Adam was alive, it came to pass that the posterity of Cain became exceedingly wicked, every one successively dying one after the other, more wicked than the former. They were intolerable in war, and vehement in robberies: and if any one were slow to murder people, yet was he bold in his profligate behavior, in acting unjustly, and doing injury for gain.”

### **Where is the Corollary Today?**

The heroes of Freemasonry today are: Jubal, Jabal, and Tubal-Cain, the evil descendants of the line of Cain, the first murderer! Tubal-Cain's own father, Lamech, was also a murderer, who boasted of his killings.

The name Tubal-Cain is the secret recognition password of a Master Mason. And Tubal-Cain was the first person to make metal weapons of war.

### **Freemasonry is Controlled by Jews, and worships Satan**

### **Humanity is Blind to Masonic Control**

Mankind is the victim of a hoax so mind-boggling and monstrous, it is in denial. Humanity is controlled by a satanic cult, Freemasonry, rarely mentioned in public discourse. Masonry itself is a proxy for Cabalistic Jewish central bankers (the Illuminati.) This cult has manipulated political events and culture for more than 200 years. Our "freedom" is an illusion cultivated by their media. Our leaders are their witting or unwitting agents.

Maximilian Kolbe was an expert on Freemasonry. Here are his chilling

conclusions summarized in an essay by Antonio di Monda.

## **"Father Kolbe Against Freemasonry"**

by Father Antonio Di Monda  
(edited/abridged by henrymakow.com)

Freemasonry is a secret society, formed largely by Jews organized and founded by "freethinking" English in London in the year 1717... One of these purposes is the total liquidation of the supernatural world and the destruction of all religions.

It is characterized by a mortal hatred for Christians and Christianity. Freemasons are declared enemies of the supernatural, morality and of all religions... And, in fact, explains Father Kolbe, "Freemasonry is infecting the school, art, theater, cinema and literature with paganism."

Freemasonry cultivates authentic Satanism, i.e. exercising the worship of Satan, even as it labels this as one of the "fairy tales" invented by the anti-Masonic groups, to slander an "innocent and honest association."

In addition to dominion over the world, the Freemasons are the authors of all the political movements, agitations and the most important revolutions in history:

"From their workshop - says Father Kolbe - emerged the French Revolution, the whole series of revolutions from 1789 to 1815, and also the World Wars.

Voltaire, D'Alembert, Rousseau, Diderot, Choiseul, Pombal, Aralda, Tanucci, Hangwitz, Byron, Mazzini, Palmerston, Garibaldi and others worked under their direction... Freemasonry put them all on a pedestal..."

### **Freemasonry is a Jewish Proxy**

Freemasonry is an association formed, for the most part, of Jews. The spirit of Freemasonry is certainly Jewish: "The connections (between Freemasonry and Judaism) are much more intimate than you might think... the spirit of Freemasonry is that of Judaism in its most fundamental beliefs, its ideas are Judaic, its language is Jewish, its organization is Jewish. Every time I approach the sanctuary where Freemasonry performs its work, you will hear the name of Solomon, the Temple of Hiram [...], the God of Abraham. "

Freemasonry proposes the liquidation of the supernatural and of every religion. Freemasonry, in fact, not only is based on the most comprehensive and radical

naturalism, but rejects, by itself, every supernatural. The very essence of Freemasonry is the worship of human reason and the cult of unlimited freedom, unfettered by any law... Hence also the fight against all religion, founded so largely on the supernatural. "New Masonry (the sort after 1717) becomes militant in the service and defense of a naturalistic religion, a new religion of humanity stifles and destroys all forms of the supernatural."

Freemasonry is the enemy, of course, of all morality. And therefore fosters selfishness at full blast, even if everything is cleverly disguised under the guise of philanthropy.

So it sounds, for example, the oath of the 3rd Degree of Freemasonry shamelessly enhances the pleasures of sex, idolizing the generative force, without restraint and discretion. In fact, the model of society today is based on hedonism...

Freemasonry has made the greatest crimes, causing wars, revolutions and upheavals of every kind: "Freemasonry financed and supported the Russian Communist Revolution of 1905, in 1918 financed the Communist Bela Kun in Hungary and the "Brother" Edouard Benes in Czechoslovakia in 1936, the Spanish revolution. In 1945, U.S. and allied troops could easily occupy, indeed had already done, the territories of 'Austria, Czechoslovakia and Hungary, but to honor the agreements of Yalta the Mason Churchill and Roosevelt Mason left the field open to Stalin.'

### **Freemasons Are Dupes**

Father Kolbe writes that there is a Masonry within Freemasonry. Freemasons in fact are controlled by others. "The outer garments are the so-called 'blue Masons,' while the so-called "red" belongs to a small number of people, mostly Jewish, who, fully are aware of their purposes, they direct the whole large mass of the "enlightened" Masonic organization."

These leaders are unknown and always act in secret, making it impossible for the opposition. They are the ones who prepare the work plans. Hence the 'identification between Freemasonry and Judaism, at least in the terms suggested by what we have said. What is reflected eloquently in the famous *Protocols of the Elders of Zion*...the promotion of a " world revolution, which ultimately would result in a world dominated by the Jews, "is not a myth" .

*(Masonic symbol place on US one dollar in 1933. "Annuit coeptis" - 'He has favored our enterprise .')*

Therefore, we can safely speak of a Jewish Freemasonry. Or, if you want, Jewish or not, there is a Freemasonry which tends to world domination and is in charge of all subversive movements against God and Christianity.

Father Kolbe writes: "We can safely identify a criminal mafia called "Freemasonry ". The hand maneuvering all this toward a clear and specific goal is "international Zionism", as several studies show".

Freemasonry, considered especially in its leaders, apparent or hidden, is for Father Kolbe, the greatest enemy of Christians and Christianity.

"At first glance - he says - it might seem exaggerated the claim that the main, the largest and the most powerful enemy of the Christianity is Freemasonry» . . But this is simply the truth: Freemasonry is the greatest enemy. In fact, with tentacles reaching everywhere, it is able to affect everything and everyone... Among its ranks, in fact, there are governors, ministers, businessmen, personality of the highest rank, so it can rule the roost everywhere and always. It has abundant means so they may have in their hands almost all the media: "The cinema, theater, literature, art (are) largely directed by the invisible hand of Freemasonr.

Rightly, then, Father Kolbe can speak of Freemasonry as the "head" of the infernal serpent!

**The Council on Foreign Relations (CFR)**

The [CFR](#) was founded on July 29, 1921, in New York City by Col. Edward Mandell House (real name: Haus - Jewish), chief adviser to President Woodrow Wilson, in league with the stockholders of The Federal Reserve. A communist, Haus was part of a conspiracy to gain control of both U.S. political parties to use them as instruments in the creation of a socialist (communist) world government. The roster of the 2,900 CFR members reads like a “who’s who” of the elite politicians, media, financiers, businessmen, military and educators. Their covert plan is to “manage the International economy, global poverty, environment and the new ‘common’ - - - the oceans, the seabeds, space, interstate violence, including arms control. They will manage the money, the land, the food, and the guns - - - of everyone in the world!

If one group is effectively in control of national governments and multinational corporations; promotes world government through control of media, foundation grants, and education; and controls and guides the issues of the day; then they control most options available. The Council on Foreign Relations (CFR), and the financial powers behind it, has done all these things. For over seventy years, they have promoted the "New World Order."

As the promotional arm of the Ruling Elite in the United States of America, the CFR includes most influential politicians, academics and media personalities in America as members. It uses its influence to infiltrate the New World Order into American life. CFR "experts" write scholarly pieces to be used in decision making, the academics expound on the wisdom of a united world, and the media members disseminate the message. [Hillary Clinton Admits that the CFR runs this nation - video](#)

Jews comprise 56% of the Council on Foreign Relations. Jews are approximately **2%** of the U.S. population.\* Therefore Jews and spouses of Jews are over-represented in the Council on Foreign Relations think tank by a factor of 28 times(**2,800 percent**). \*

The Freemasons are the (evil) “spiritual” descendants of Cain; the promoters of war, murder, and world control, that’s why they revere the physical descendants of Cain, such as Jubal, Jabal, and Tubal-Cain.

Just as the physical descendants of Cain destroyed the earth – and thus had to be wiped out in the flood, so the “spiritual” descendants of Cain (the Freemasons, Council on Foreign Relations, Bilderbergers, the Trilateral Commission, and the Club of Rome) are now destroying the earth – and will “reap what they have sown” when Jesus comes AND at the Judgment!

It is true that History Repeats Itself!

### **Freemasonry and the “Christian” Church**

As stated above, all of these men listed are (or were) 33<sup>rd</sup> Degree Freemasons, who, by the very fact of becoming 33<sup>rd</sup> Degree Freemasons, have had to declare their allegiance to Satan.

Yet many of them are prominent (supposedly) “Christian” pastors – including:

Billy Graham  
Robert Schuller  
Oral Roberts  
Brigham Young

Obviously, the “Christian” churches have been infiltrated directly by pastors who have given their allegiance to Satan. No wonder the satanic practice of “speaking in tongues” has pervaded Christianity, and no wonder the true beliefs in Jesus Christ have been thrown aside and replaced with a social – country club – religion.

### **Lamech and Noah**

In some respects there is a similarity between the end of the line of Cain and the line of Seth. In both cases, in place of a single successor, a whole family of three sons is brought before us. But in one there is *disintegration*, and they disappear from the scene through strife and death. In the other, there is *salvation* and a fresh start and a new life in a renovated world. One was the result of insubjection to the voice of God, the other of persevering faith. Cain refused to offer the lamb for his restoration. Noah (of the line of Seth) labored for years in building the ark for his preservation.

One of the important lessons that the course of Cain should teach us is that lenience is not a cure for disobedience. It does not lead to subjection. Cain and his line were allowed to go their way without divine interference until they had done their part in ruining the earth.

The line of Cain is, perhaps, the blackest and best background for the final subjection of ALL. IT begins with the refusal of Cain to kill the present offering and the murder of his brother, who was subject to God; it ends with the murder of two men by Lamech, the manufacture of metal weapons of death, and the threat to murder more, leading to the death of all except those in the ark, by the flood. In front of this dark backdrop of insubjection, hatred, war, and death, God, the

Subjector, with wonderful wisdom will stage the highlights of life, love, and universal subjection. Excerpts from *Insubjection in the Line of Cain*, Unsearchable Riches, May 2002
